## President's Message

Your Board of Directors is looking forward to seeing you when we reopen the Center on Monday, October 5, 2020. To help ensure your safety, you need to be aware of a few of the things we've put into place, at least for the remainder of 2020.

- **The Center will be open on October 5 for MEMBERS ONLY.** Everyone entering the building will be required to scan their membership card. This allows us to provide accurate contact tracing information if necessary.
- The Senior Center building will only be **open Monday through Friday**. All Saturday programs, except for Shuffleboard (which is held outside), will be suspended at least until January 2021.
- **Wpsc COVID-19 Safety Protocols will be enforced** (see article on Page 2) for more details).

For a list of which programs will be reopening, please see the article on Page 3. You can also always find the latest information about any program on our website at [www.bcwpsc.org](http://www.bcwpsc.org). We do our best to update this site on a weekly basis at a minimum.

**SAY HELLO TO YOUR VOLUNTEERS** - As part of our reopening, you'll notice that all of our Volunteers and Board members are now sporting new Wickham Park Senior Center lanyards and name badges to help you identify who they are. When you see someone wearing a lanyard, please say hello, **and thank-you**, to them.

**SHOW YOUR SUPPORT FOR Wpsc** - To show support for our Senior Center, we've also purchased Wickham Park Senior Center car magnets. I encourage everyone to stop by the front desk to pick up a magnet to attach to the back of your car. I'm looking forward to watching for them as I drive around town.

**THANK YOU** - As we prepare to reopen, I'd like to thank all the members of the Board of Directors for continuing to attend our monthly Board Meetings during the shutdown. And a special shout-out of thanks to a few individuals who continued to be at the Center on a weekly basis to ensure all our necessary business was handled: Dick Robinson (Treasurer), Vinnie Germann (Vice-President), Gary McGuire (Scheduling Director) Deana Booth (Travel Director) and John Efird (IT Administrator). We wouldn't be reopening the Center without their continued efforts and support.

I'm looking forward to seeing all of you soon!

## Mission Statement

**Our Mission is to provide a congenial and happy environment for seniors to enjoy activities, meet new friends, and attend educational programs. Furthermore, to provide a resource for obtaining assistance and guidance in times of need.**

**"There are no strangers here, only friends you have yet to meet!"**

## Board of Directors Update

Your WPSC Board met on Monday, September 14. Below is a synopsis of the actions discussed and passed at that meeting.

- **October 5 Reopening:** The Board reviewed the Sept 8 openings, along with the current number of COVID-19 cases in the county and the current CDC guidelines. Based on that information, the Board voted to proceed with the planned October 5 reopening of the Center. The Center will open Monday thru Friday, for MEMBERS ONLY, at least until 2021.
- **Policy & Procedure Updates:** Recommended changes to Policy 7 (Membership, Dues & Fees) and Policy 10 (Nominations & Voting) were reviewed. The Board voted to amend these policies as recommended. All Policies & Procedures can be reviewed at the Front Desk or in the Administration Office. Key points of the recommended changes are:
  - All program manager & program contractors will now be required to be paid members of WPSC.
  - Membership Dues and Program Fees were added to Policy 7.
  - Effective January 1, 2021, the program fee for non-members will be increasing from \$2.00 to \$3.00. (Note: this only takes effect when the Center opens again for non-members).
  - The Voting procedure for elections was defined and added to Policy 10.
- **Nominating Committee:** Vinnie Germann was appointed Chairman of the Nominating Committee. Other committee members are Gary McGuire, Angie Brown, Peggy Miles and Beverly Morgan. The committee is responsible for preparing an election ballot for the next Board of Directors election. The ballot will be presented to the Board at the November meeting and the general membership election will be held during the

2nd week of December. If you are interested in running for a position on the 2021 Board of Directors, please contact a member of the Nominating Committee.

Please note that WPSC Board Meetings are held the 2nd Monday of each month and are open to all members of WPSC.

## COVID-19 Safety Protocols for Wickham Park Senior Center Opening

To help ensure the safety of our members and volunteers, we are implementing the following COVID-19 protocols.

- **If you feel sick or have symptoms (even mild), please stay home.**
- **WPSC will open for MEMBERS ONLY** at this time. This will ensure we are able to provide accurate contact tracing information if necessary.
- **All members will be required to scan their membership card at the front desk upon entering the building.** If you forget your membership card, a front desk volunteer will check you in. Again, this is required to enable us to provide accurate contact tracing information.
- **All members and volunteers will be required to wear a face mask/covering.** **At your discretion,** face coverings may be removed during exercise activities, while bingo numbers are being called or when you can safely social distance. However, anytime a member is walking around the building or interacting with another individual and cannot socially distance, a face covering must be worn.
- **All members are required to respect standard social distancing guidelines.** Please maintain 6-feet of space from others and refrain from physical contact such as hugging or shaking hands.
- **Program Managers will sanitize chairs and tables** before each program.
- **Hand Sanitizer will be available** throughout the building.

## Preparing for a Hurricane Amid COVID-19 Pandemic

by Lisa Conway, RN, a Certified Care Manager for One Senior Place in Viera.

This is a new Q&A feature provided by One Senior Place, a marketplace for resources and a provider of information, advice, care and on-site services for seniors and their families, located in Viera.

**Q:** *What should I do differently to prepare for a hurricane during the COVID-19 pandemic?*

**A:** Here we are again, in the midst of hurricane season in Florida. For those of us who call the Sunshine State home, preparing for the big summer storms is a necessity.

Officials always suggest following these three steps: Have a plan, make a kit and stay informed.

Forecasters predict the 2020 hurricane season will be busier than usual, with as many as 25 named storms and six major hurricanes. And lucky us — it's also the first time we've been tasked with preparing during a pandemic.

### Have a Plan

If a hurricane comes our way, will you choose to “hunker down” at home, evacuate the area entirely, or register for a special needs shelter? Many people are expressing concern about social distancing and possible virus in public spaces.

Recognizing the possibility of viral spread at public shelters, the Centers for Disease Control and Prevention has issued new guidance for 2020, recommending Americans “shelter in place” or with family if possible.

If evacuation becomes necessary or is ordered by authorities, make sure your family or friends knows where you are headed and how they may reach you.

### Make a Kit

As usual, we'll need to prepare a hurricane emergency kit. Or rather a “stay kit” for sheltering at home and a “go kit” in the event of evacuation.

Both should include water, non-perishable foods for yourself and any pets, flashlights, extra batteries, hand held or battery operated radio, cash, medications, personal hygiene products and a first aid kit.

Due to virus concerns, your kits should also include masks, gloves and an alcohol-based hand sanitizer along with disinfecting wipes.

We suggest documents and important information be kept in a waterproof bag or folder. Your waterproof “survival” bag should contain any advance medical directives, insurance documents (or copies), medication and allergy list, physician information, shot records for pets and identification cards.

### Stay Informed

Once you're prepared, regularly track the progress of the storm — but also rest your mind with a favorite movie or pleasant music. Watching TV meteorologists repeat the same information hour after hour can be very stressful. Making decisions with a cool head is best in any emergency situation.

After the storm, monitor broadcasts and directives from local Emergency Management authorities for further instructions. Hurricane season is stressful for Floridians of any age. And the pandemic isn't helping. Take a deep breath and remember that preparation and planning will lessen your anxiety and uncertainty.

For a complete hurricane checklist for seniors, go to [www.oneseniorplace.com/hurricane](http://www.oneseniorplace.com/hurricane). Inquire at One Senior Place for your free waterproof document holder, while supplies last.

## In the Spotlight

### Volunteer Bernard Del Bene

Bernard was born in Bridgeport, Connecticut. He spent 5 years in the U.S. Air Force then moved to New York City where he lived for 10 years. In 1985 he moved to Florida as a snow bird. After 5 years as a snow bird, he became a permanent resident.

While most of his time was taken up with caring for AIDS patients, and then caring for senior citizens with whom he had been friends with for many years. He says, “through the senior center he has learned to play Mah Jongg and has met so many people.” He enjoys almost all board and card games.

Bernard’s favorite things to do are going to yard sales, church rummage sales and flea markets. Cooking and baking are hobbies that he enjoys and he says, “it is to the detriment of his friends’ waistlines.” He is very active with the Melbourne Unity Church.

Many thanks Bernard, for your ongoing volunteering commitment to the senior center as a front desk volunteer.

## Shuffleboard

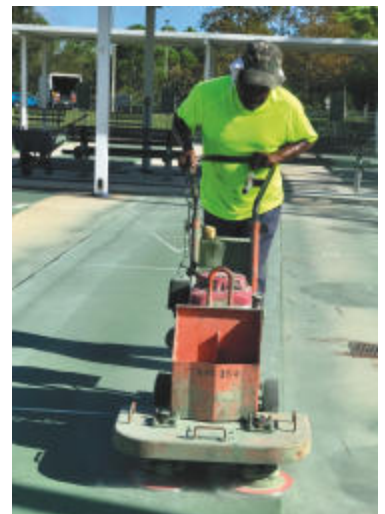

**Mondays & Thursdays @ 6:30P and Saturdays @ 9:30A**

The Wickham Park Senior Center has received grant funding from the Brevard County Parks and Recreation Department to repair and resurface its twelve shuffleboard courts.

“We are extremely grateful to Jessica Breault and John Marsino with the Parks and Recreation department for approving our grant request”, said Tom Winkelspecht, president of the shuffleboard club. “When work is completed, we will have the newest, most modern shuffleboard courts in Melbourne.”

Nidy Sports Construction Company was selected to perform the work. Nidy is the sole applicator of the NICO® Shuffleboard Playing surface, which is the premier playing surface for shuffleboard courts throughout the state of Florida. The NICO surface eliminates the need for the use of glass beads, powdered waxes, as well as court waxes and sealers. The NICO surface also reduces glares on shuffleboard courts, provides excellent control of discs for improved play, and can be played when wet or dry. Resurfacing of the courts is currently underway and project will be completed by September 30th.

Regularly scheduled shuffleboard practice is on Monday and Thursday nights at 6:30 pm, and Saturday mornings at 9 am. For information on joining the shuffleboard club, call **Greg Jones** at 606-219-3994 or email: [greg.sonesta@gmail.com](mailto:greg.sonesta@gmail.com).”

*Workers sand damaged courts before new NIDY polymer surface is applied.*
