President's Message

Happy 4th of July! I cannot believe that we are already halfway through this year. Your WPSC Board is busy working on our fall programs, so I thought I'd give you a first look at some of the programs and projects we're working on.

- We will be taking **nominations for our 2027 Board slots from October 1 to October 31**. We will have at least 3 openings on the board. If you ever wanted to have some input into our daily operations or decisions, please think about joining the Board. Voting will take place December 7-11.
- Our **Fall Dinner/Dance is scheduled for Friday, October 16**. This year's theme will be a Country Western BBQ. Janice and Rene will be back to provide us with music. I am hearing rumors that we might have someone available to offer a few line dancing moves as well. More details available in the September newsletter.
- Thanksgiving is Thursday, November 26, and while the Center will officially be closed, the **Shuffleboard Group is planning to host a Thanksgiving Day Dinner** at the Center for members. More details will be available in September.
- Our **2nd annual hand-made Ornament Contest will be held November 30 to December 11**. Details will be available in October.
- This year's **Annual Meeting is scheduled for Wednesday, December 2** from 4:00-5:00 pm. Please make sure to save this date and plan to attend. This is your time to learn more about what was done in 2026, but more importantly, to provide us some input into what you'd like to see happen in 2027.

I am sad to announce that **John Efird, our IT administrator, is retiring on July 30**. John has been running IT since April, 2011 – more than 15 years. John and his team have been invaluable to the success of WPSC, and while he has done a great job training his successors, we will still miss him, his guidance and his leadership. If you see him around before the end of the month, please be sure to thank him for all he has done – or feel free to drop him a note in the IT mailbox located in the hallway outside my office.

Lastly, **WPSC will be closed Saturday and Sunday, July 4th & 5th** to allow our volunteers to spend time with their families. I hope everyone enjoys a fun and Safe 4th of July as we all celebrate our **250 Years of Freedom**.

HELPFUL STEPS FOR HURRICANE PREP

Hurricane season can bring a lot of uncertainty. Preparing ahead of time may help you respond more safely, protect what matters most and reduce some of the stress that can come with an approaching storm. Here are some steps to help you prepare:

- **Make an emergency plan** for your household, including pets, evacuation routes, meeting locations and emergency contacts.
- **Build an emergency supply kit** with water, non-perishable food, medications, flashlights, batteries, chargers and important documents stored in a waterproof container.
- **Secure your home and vehicles** by bringing in loose outdoor items, trimming trees and checking gutters, shutters and garage doors.
- **Create a home inventory** with photos, video or a written list of belongings.
- **Review your coverage** and talk with your agent about your current policies, deductibles and whether separate flood insurance may be appropriate for your needs.
- **Stay informed** with local emergency alerts and weather updates, and have a battery-powered or hand-crank radio in case of a power outage.

A little planning now may help you be better prepared later.

TURNING 65?

Turning 65 is a major milestone, and preparing for Medicare is one of the most important financial and healthcare steps you will take. Navigating this transition smoothly requires understanding key timelines, coverage options, and where to find trusted local guidance. Your preparation should begin three months before your 65th birthday, marking the start of your **Initial Enrollment Period (IEP)**. This seven-month window spans three months before your birth month, your birthday month, and three months after. Signing up early ensures your coverage begins on the first day of the month you turn 65. If you miss this window without a qualifying Special Enrollment Period—such as staying on a qualifying employer group plan—you could face permanent late-enrollment penalties.

Understanding your coverage choices is the next crucial step. You can choose **Original Medicare**, which includes Part A (hospital insurance) and Part B (medical insurance). Because Original Medicare leaves you with out-of-pocket costs like deductibles and a 20% coinsurance, most beneficiaries add a standalone Part D prescription drug plan and a Medicare Supplement (Medigap) policy to fill the financial gaps. Alternatively, you can opt for **Medicare Advantage (Part C)**, which bundles Parts A, B, and usually D into a single plan, often featuring extra benefits like dental, vision, and fitness programs.

WPSC SUNSHINE COMMITTEE

Do you know a WPSC member who is sick, experienced a family member loss, or needs some cheer or support? If so, please let our

Sunshine Committee know by dropping off your request in the mailbox labeled “Sunshine Committee” (located near the Billiards Room behind the front desk).

Please be sure to include the person’s full name and any information you might have so we can them in our database, as well as why you think they qualify. Also, please be sure to include your name and telephone number so we can reach you if we have any questions.

The Advantage of Local Expertise

While the choices can feel overwhelming, you do not have to navigate them alone. Working with a local, independent insurance broker offers a distinct advantage. Local brokers understand the specific regional plan availability, provider networks, and hospital relationships right here in Brevard County, ensuring your preferred doctors remain accessible.

Moore Insurance Solutions is here to guide you through every step of this journey. Agency owner **Vicki Moore** brings over 13 years of industry experience, offering the patient, clear, and compassionate guidance you deserve. Our agency features a dedicated team of professionals who bring their own unique talents to assisting beneficiaries—including dedicated **Spanish-speaking** and **Creole-speaking** agents to serve our diverse community. As a full-service health and life agency, Moore Insurance Solutions provides comprehensive support that extends well beyond Medicare. We handle under-65 (U65) health coverage, life insurance, long-term care insurance and planning, and annuities.
