

## **Celebrating the Art of Community**

**May 1-29, 2026**

*Crandall Public Library Friends Gallery, Glens Falls, NY*

**Artists Reception May 5, 5-7 pm**

**Dear Artist,**

Tri-County Literacy Center is pleased to announce our 4th annual art show, *Celebrating the Art of Community*, which will run from May 1 through May 29, 2026, in the Friends Gallery at Crandall Public Library. We are also delighted to host an Artist's Reception on May 5, 2026, from 5–7 p.m. in the Friends Gallery.

We invite artists from our community to participate in this year's exhibition. Artwork in any medium is welcome, provided it can be hung on a wall. Due to gallery requirements, all pieces must arrive ready to hang with a wire securely attached to the back. Unfortunately, we cannot make exceptions to this rule.

All artwork in the show will be available for purchase. Participating artists will receive 50% of the proceeds from the sale of their work, with the remaining 50% serving as a donation to Tri-County Literacy Center. To ensure the show remains accessible to the community, we ask that submitted pieces have a retail value of no more than \$250—an increase from previous years. Artists may submit up to eight pieces for consideration; however, only five will be selected in the initial round. If additional space becomes available, we will contact artists regarding their remaining submissions.

If you would like to participate in *Celebrating the Art of Community*, please email the dimensions, medium, asking price, and an electronic image (jpeg or png) of each piece to

**TLCArtShow@gmail.com** no later than **April 3, 2026, at 4 p.m.** All submissions will be juried together, and artists whose work is accepted will be notified by **April 17, 2026, at 4 p.m.**

Acceptance notifications will include all required paperwork and further instructions.

Tri-County Literacy Center provides practical, learner-centered literacy education to adults in Warren, Washington, and Saratoga Counties. Our volunteer tutors help learners achieve a wide range of literacy goals, empowering them to become more confident, resilient, and successful members of our community.

Thank you for taking the time to read our invitation and for considering participation in this year's *Celebrating the Art of Community* art show.

**Sincerely,**

The Art Show Committee
