

## ProLiteracy Membership Information

We are a member of the national organization, ProLiteracy and we have a membership that allows volunteers to access any information or training on their site as well as to register for new training. Much of their information is available for use by the general public with or without a membership number.

If you can not make a new training time slot, register anyway and you will be sent a link to the recording of the session. This is much easier than locating it on their site later.

Our membership number is: Contact the office at [trilitcenter@gmail.com](mailto:trilitcenter@gmail.com). Once we verify that you are an active tutor in the program, this information will be emailed to you.
