

The below is a binding contract between Marzolf X Kennel, LLC and the below said client. All breedings will be facilitated at and by Marzolf X Kennel, LLC. The breeding will take place between the following dogs;

Sire: Marzolf X Larger Than Life or Marzolf X I'll Be Your Huckelberry

Dam _____

The stud fee is \$1,800 plus applicable state sales tax, or the price of one puppy plus applicable state sales tax, whichever is greater. With \$900 plus 4.5% South Dakota Sales Tax (total due \$940.50) payable to Marzolf X Kennel, LLC and \$900.00 due to co-owner at drop off of the dam. Marzolf X Kennel, LLC guarantees a minimum of 2 live pups at time of birth, if a breeding doesn't take or doesn't produce a minimum of 2 live pups a second breeding will be attempted without an additional stud fee. After the second breeding attempt, no matter the outcome Marzolf X Kennel, LLC will have completed our commitment to the contract. If no pups are produced from either breeding the stud fee will be forfeited for the; time investment; and risk for Marzolf X Kennel, LLC. If less than two pups are produced in the breeding's, after the second attempt the stud fee will be forfeited by below signed client.

All females must provide proof and be up to date on;

Rabies

Bordetella

Negative Brucellosis Test

Hip Certification (PENN Hip or OFA)

It is highly recommended that all in season females have progesterone tests completed to assist in properly timed breeding. This is completed at the dam owners expense, Marzolf X Kennel, LLC can complete this at the buyer's expense which will include; testing fee, .62.5 cents per mile for travel and a \$20 convenience fee for time and travel. Marzolf X Kennel, LLC must be contacted within 48 hours of a female coming into season to prepare for the breeding. All females must be delivered by owner no later than the 11th day from first blood and must be picked up within 48 hours of last standing tie. If owner does not complete progesterone testing, Marzolf X Kennel, LLC will attempt in good faith to ensure the breeding is covered, but cannot guarantee timing without testing. We will attempt natural cover, we will attempt 3 live covers with 36 hours between each tie from the date and time of the first tie. If female refuses to stand or becomes too violent creating a risk to the above stud than we will complete a progesterone and do a fresh side by side cover by a licensed and certified veterinarian at the damns owners' expense. Marzolf X Kennel, LLC will notify the dam owner when a tie takes place to include photo confirmation, date and time.
