

## **CENTRAL STATES ASSOCIATION OF SHRINE MOTOR CORPS**

### **SLOW RIDE COURSE**

The Slow Ride Course is a form of Competition for two-wheel vehicles only. It is a set course where the object is to take as long as possible to complete the course.

The course is 30'x45' with a 30' line down the middle which will give the rider an entrance gate 15' wide, an exit gate 15' wide and a reverse direction gate 15' wide.

Your time starts when your front wheel crosses the entry line. Your time stops when:

1. Your front wheel touches any other line
2. Your foot touches the ground
3. Your wheel makes a movement toward the entry gate. (This prevents a rider from riding around in circles)

There is no disqualification to this Competition.

Your time simply starts when you enter and stops at any infraction.

Any Unit may enter as many members as they want to ride the course.

An individual trophy is awarded to the individual who has the longest ride of the day.
