

Privacy Policy

This Privacy Policy ("Policy") applies to www.springbooks.biz, and Spring Books LLC ("Company") and governs data collection and usage. For the purposes of this Privacy Policy, unless otherwise noted, all references to the Company include www.springbooks.biz. The Company's website is an E-commerce site. By using the Company website, you consent to the data practices described in this statement.

Collection of your Personal Information

In order to better provide you with services offered, the Company may collect personally identifiable information, such as your:

- First and last name
- Email address
- Phone number

We do not collect any personal information about you unless you voluntarily provide it to us. However, you may be required to provide certain personal information to us when you elect to use certain services. These may include: (a) registering for an account; (b) sending us an email message; (c) submitting your credit card or other payment information when ordering and purchasing services, and filling out the contact form. To wit, we will use your information for, but not limited to, communicating with you in relation to providing client support and answering client question regarding services you have requested from us. We also may gather additional personal or non-personal information in the future.

Use of your Personal Information

The Company collects and uses your personal information in the following ways:

- to operate and deliver the services you have requested
- to provide you with information on services that you request from us
- to provide you with notices about your account
- to carry out the Company's obligations and enforce our rights arising from any contracts
- to notify you about changes to our www.springbooks.biz or any services we offer
- for any other purpose with your consent.

The Company may also use your personally identifiable information to inform you of other services available from the Company and its affiliates.

Sharing Information with Third-Party Service Providers

The Company does not sell, rent, or lease its client lists to third parties or third-party providers. The Company confirms that no mobile opt-in information is shared with third-parties or third-party providers.

We may engage trusted third-party service providers to assist us in performing statistical analysis managing and maintaining our website, conducting business activities, processing transactions, or providing services to you.

These service providers are contractually obligated to maintain the confidentiality and security of your personal information and are prohibited from using your data for any other purpose.

The Company may disclose your personal information, without notice, if required to do so by law or in the good faith belief that such action is necessary to: (a) conform to the edicts of the law or comply with legal process served on the Company or the site; (b) protect and defend the rights or property of the Company; and/or (c) act under exigent circumstances to protect the personal safety of users of the Company, or the public.

Automatically Collected Information

The Company may automatically collect information about your computer hardware and software. This information can include your IP address, browser type, domain names, access times, and referring website addresses. This information is used for the operation of the service, to maintain quality of the service, and to provide general statistics regarding the use of the Company's website.

Use of Cookies

The Company's website may use "cookies" to help you personalize your online experience. A cookie is a text file that is placed on your hard disk by a web page server. Cookies cannot be used to run programs or deliver viruses to your computer. Cookies are uniquely assigned to you, and can only be read by a web server in the domain that issued the cookie to you.

One of the primary purposes of cookies is to provide a convenience feature to save you time. The purpose of a cookie is to tell the web server that you have returned to a specific page. For example, if you personalize the Company's pages, or register with Company's site or services, a cookie helps the Company to recall your specific information on subsequent visits. This simplifies the process of recording your personal information, such as billing addresses, shipping addresses, and so on. When you return to the same website, the information you previously provided can be retrieved, so you can easily use the Company's features that you customized.

You have the ability to accept or decline cookies. Most web browsers automatically accept cookies, but you can usually modify your browser settings to decline cookies if you prefer. If you choose to decline cookies, you may not be able to fully experience the interactive features of the Company's services or websites you visit.
