September 11, 2025

Timber Point Golf Course

Great River, NY

Tee Time: 3:30PM

Dinner Reception: 6:30 – 9:30PM

Autism Communities...Inspiring Inclusion Across Long Island!

Autism Communities, a Long Island based 501c3, works with the families of neurodiverse adults to facilitate inclusive housing opportunities in neighborhoods throughout Suffolk County. We are working toward a sustainable housing model which will provide these adults with the necessary support to maintain their housing when it is no longer feasible for their primary caregiver to deliver this assistance.

In June of 2024 Autism Communities forged a collaborative partnership with the Suffolk County Police Department and announced the Friend Responders Campaign. This campaign is designed to foster mutual understanding and trust between neurodiverse community members and first responders.

Today, 1 in 31 children are diagnosed with autism and **80% of adults with autism live at home** and receive support from a family caregiver

Key aspects of this collaboration include:

- Meet and greets as well as regular check-ins scheduled between local police and neurodiverse community members
- Guidance for neurodiverse adults on the registration of Smart 911 profiles
- Active training and relationship building sessions for both first responders and neurodiverse adults

Autism Communities is positioned to assist other organizations working with the neurodiverse community to access these **Friend Responder** opportunities and will facilitate the development of a broader county-wide campaign.

As dedicated board members of Autism Communities, we are personally reaching out to invite you to our **3rd Annual Nine and Dine Golf Outing on September 11th at Timber Point Golf Course in Great River.**

Here we will recognize **Suffolk County's First Responders** for their steadfast commitment to the **Friend Responders Program** as well as their determination in building safe and inclusive communities for all. If you are not a golfer, Dinner Only tickets are available as well.

We Can't Do It Without You.

Your support is more than a donation — it honors the selfless dedication of our **First Responders**, fuels the growth of our life-changing **Friend Responders Program**, and brings us closer to fulfilling the vision of **Autism Communities:**

“To Inspire a World Built Without Barriers.”

Please join us. Stand with us. **Give today** and help build a more inclusive tomorrow.

"Let's build a more inclusive world—together."

Scan the QR code or click the link to learn about sponsorship opportunities or to register today for our fundraiser supporting Autism Communities and Friend Responders.

Your participation helps create safer, more understanding environments for neurodiverse adults. [Join us now](#), because every step we take together makes a world of difference.
