

Wisconsin Ordnance Works, Ltd. Terms & Conditions and Flowdown Provisions

June 26, 2026

Terms and Conditions

1. Supplier of products and/or services is required to meet the requirements of the relevant technical data, specifications, drawings, process requirements, and work instructions provided at time of order.
2. Approval of products and/or services will be based on conformity to relevant technical data, specifications, drawings, process requirements, and work instructions provided at time of order.
3. The methods, processes, and equipment used by the supplier are to produce products and/or services that conform to the requirements of the order, and – if prescribed/required in the technical data package provided – comply with specifications of the technical data package.
4. The release of products and/or services will occur only after verification of conformance with requirements.
5. The supplier will ensure that its operations and employees exhibit the required competencies and qualifications needed to produce conforming outputs and comply with requirements of the technical data package/specifications provided at time of order.
6. The supplier will not make any changes to the processes, methods, location, or environment used to support the requirements of the order, without first having received formal approval from Wisconsin Ordnance Works. The supplier will also provide updates on progress against requirements, as well as any specific milestones identified in the order documentation. The supplier will provide all third party and internal certifications and supporting documentation required to Wisconsin Ordnance Works.
7. Wisconsin Ordnance Works will monitor and document supplier performance for each order issued and will request suppliers complete an annual supplier survey to update supplier compliance with general requirements.
8. If required by the relevant regulatory, statutory, and product requirements, the supplier will perform validation and/or verification activities with evidence of conformance to be provided at time of approval for release.
9. If the supplier is responsible for the design of the goods/services, the supplier will establish design and development control.
10. Special requirements, critical items, and key characteristics will be identified in the technical data package (relevant technical data, specifications, drawings, process requirements, and work instructions) provided at time of order.
11. Testing, inspection and verification results (including production process verification) will be documented and maintained on record for a period of time as specified in the contract flow down clauses. In most cases, these results are to be provided to Wisconsin Ordnance Works at time of approval for release.
12. The supplier is required to use statistical techniques for product acceptance and acceptance.
13. The supplier must have implemented a quality management system.
14. The supplier must use only customer-designated or approved external providers (including process sources)
15. The supplier must inform Wisconsin Ordnance Works of nonconforming processes, products, or services, and must obtain approval for disposition thereof.
16. The supplier must have a system in place to prevent the use of counterfeit parts.

17. The supplier must notify Wisconsin Ordnance Works of changes to processes, products, or services (including changes of external suppliers and location), and obtain approval by Wisconsin Ordnance Works before any changes are made.
18. The supplier must flow-down to external suppliers the applicable requirements including customer requirements.
19. In the case of design and development of goods/services, the supplier must provide test specimens for approval, inspection/verification, investigating, or auditing/
20. The supplier must retain documented information for a period of no less than 7 years. Disposition thereafter must comply with relevant regulatory requirements, and approval should be sought from Wisconsin Ordnance Works if disposition requirements are unclear.
21. In certain cases, Wisconsin Ordnance Works, Defense OEM's, DoD, and regulatory agencies may require right of access to supplier facilities and to applicable documented information at any level of the supply chain.
22. The supplier must ensure that its organization and employees are aware of:
 - a. Their contribution to product/service conformity
 - b. Their contribution to product safety
 - c. The importance of ethical behavior
23. All suppliers are evaluated by their ability to perform against contractual requirements. Examples include but are not limited to: conformity of product and services, on-time delivery in full, compliance to requirements, and overall customer service.
24. In the event that a supplier delivers nonconforming goods or services, Wisconsin Ordnance Works will initiate its corrective action process in accordance with the company Quality Management System. This may require return/replacement (RMA) of the nonconforming goods/services, and/or financial remuneration to cover the cost of the nonconforming goods/services.

Flowdown Provisions

PLEASE NOTE: This document contains generic mandatory FAR Flowdown clauses. Additional supplemental FAR clauses will be applicable dependant on End Customer and Platform.

SPECIAL CONDITIONS – FAR / DFARS FLOWDOWN PROVISIONS

This Order may have been placed in support of a US Government contract. To the extent that Supplies delivered pursuant to this Order are in support of a US Government contract the following flowdown provisions are applicable.

SECTION I: FAR FLOWDOWN PROVISIONS

A. INCORPORATION OF FEDERAL ACQUISITION REGULATION (FAR) CLAUSES

To the extent this Order is in support of a US Government Contract, the FAR clauses referenced below are incorporated herein by reference, with the same force and effect as if they were given in full text, and are applicable, including any notes following the clause citation, during the performance of this Contract. When a FAR clause uses a word or term that is defined in the FAR, the word or term shall have the same meaning as in the definition in FAR 2.101 in effect on the date of this Contract unless (i) a different definition is expressly set forth in this Contract; or (ii) the part, subpart, or section of the FAR where the clause is prescribed provides a different meaning; or (iii) the word or term is defined in FAR Part 31, for use in the cost principles and procedures. If the date or substance of any of the clauses listed below is different than the date or substance of the clause actually incorporated in the Prime Contract (as defined below), the date or substance of the clause incorporated by said Prime Contract shall apply. Any reference to a "Disputes" clause shall mean the "Law and Jurisdiction" clause of the Standard Conditions of Purchase.

B. GOVERNMENT SUBCONTRACT

This Contract is entered into by Purchaser and Supplier in support of a US Government contract. As used in the clauses reference below and otherwise in this Contract:

1. "Commercial Item" means a commercial item as defined in FAR 2.101.
2. "Contract" means this Contract.
3. "Contractor" shall mean SUPPLIER, as defined in Standard Conditions of Purchase, acting as the immediate subcontractor to PURCHASER.
4. "Prime Contract" means the contract between PURCHASER and the US Government or between PURCHASER and its higher-tier contractor in support of a contract with the US Government.
5. "Subcontract" means any contract placed by Contractor or lower-tier subcontractors under this Contract.

C. NOTES

1. Substitute "PURCHASER" for "Government" or "United States" throughout this clause.
2. Substitute "PURCHASER Procurement Representative" for "Contracting Officer", "Administrative Contracting Officer", and "ACO" throughout this clause.
3. Insert "and PURCHASER" after "Government" or "Contracting Officer", as appropriate, throughout this clause.
4. Insert "or PURCHASER" after "Government" throughout this clause.
5. Communication/notification required under this clause from/to SUPPLIER to/from the Contracting Officer shall be through the PURCHASER Procurement Representative.
6. "Contracting Officer" shall mean the US Government Contracting Officer for PURCHASER'S government prime contract under which this Contract is entered.
7. Not Applicable to a UK Subcontractors but needs to be flowed down to any US Subcontractors.

D. AMENDMENTS REQUIRED BY PRIME CONTRACT

SUPPLIER shall, at the request of PURCHASER, accept amendments to this Contract to incorporate additional provisions herein or to change provisions hereof, as PURCHASER may reasonably deem necessary in order to comply with the provisions of the applicable Prime Contractor with the provisions of amendments to such Prime Contract. If any such amendment to this Contract causes an increase or a decrease in the estimated cost of, or the time required for, performance of any part of the Supplies under this Contract, an equitable adjustment shall be made pursuant to the "Control of the Equipment Baseline" Condition of the Standard Conditions of Purchase.

E. PRESERVATION OF GOVERNMENT RIGHTS

If PURCHASER furnishes designs, drawings, special tooling, equipment, engineering data or other technical or proprietary information (Furnished Items) to which the US Government owns or has the right to authorize the use of, nothing herein shall be construed to mean that PURCHASER, acting on its own behalf, may modify or limit any rights the Government may have to authorize the Contractor's use of such Furnished Items in support of other US Government prime contracts.

e) FAR 52.209-7 Information Regarding Responsibility Matters (OCT 2018)

If VENDOR has current active Federal contracts and grants with a total value greater than \$10,000,000, the VENDOR represents, by submission of this offer, that the information it has entered in the FAPIIS is current, accurate, and complete as of the date of the submission of the offer with regard to the following:

1. Whether VENDOR and/or any of its principals has, within the last five years, been subject of a proceeding at the Federal or State level that resulted in a criminal conviction, a civil proceeding with a finding of fault and liability that results in the payment of \$5,000 or more, or an administrative proceeding with a finding of fault and liability that results in a fine of \$5,000 or more or restitution or damages in excess of \$100,000.

2. The VENDOR shall post the information of this provision in FAPIIS as required through maintaining an active registration in the System for Award Management database via <https://www.acquisitions.gov>

3. The following additional representations apply:

A. CONFLICT OF INTEREST

i. VENDOR acknowledges that FAR Subpart 9.5, Organizational and Consultant Conflicts of Interest, governs Work performed under this Agreement.

ii. VENDOR represents and warrants that there are no actual, potential, or perceived conflicts of interest associated with its Work for BAE Systems; that it will comply with all BAE Systems policies and procedures related to Work with current United States Government employees; and that it is not prohibited by law or regulation from receiving compensation from BAE Systems for delivering and/or performing Work under this Agreement. Should any actual, potential, or perceived conflict of interest arise in connection with this Agreement, VENDOR shall notify BAE Systems immediately, but in no event later than one (1) calendar day after becoming aware of such conflict of interest.

iii. BAE Systems, at its sole discretion and on a case-by-case basis, will determine whether a conflict of interest exists or is likely to arise. If BAE Systems determines that an actual, potential, or perceived conflict of interest exists, it may impose on VENDOR appropriate constraints to neutralize or mitigate that conflict of interest, up to and including, termination of this Agreement.

iv. The term VENDOR as used in this Article shall mean: (1) the organization entering into this Agreement with BAE Systems; (2) all business organizations with which VENDOR may merge, join, or affiliate, now or in the future and in any manner whatsoever, or which hold or may obtain, by purchase, merger, or otherwise, direct or indirect control of VENDOR; (3) VENDOR's parent organization, if any, and any of its present or future subsidiaries, associates, affiliates, or holding companies, and; (4) any organization or enterprise over which VENDOR has direct or indirect control, now or in the future.

v. In connection with a particular constraint, VENDOR may submit a proposal to BAE Systems for the purpose of indicating potential measures to

avoid or mitigate a conflict. BAE Systems, at its sole discretion, may accept or reject VENDOR's proposal

B. 52.209-13 VIOLATION OF ARMS CONTROL TREATIES OR AGREEMENTS-CERTIFICATION (NOV 2021)

i. This provision does not apply to acquisitions at or below the simplified acquisition threshold or to acquisitions of commercial products as defined at FAR

2.101.

ii. Certification by submission of offer and/or acceptance of this order

(1) The VENDOR certifies that:

(i) It does not engage and has not engaged in any activity that contributed to or was a significant factor in the President's or Secretary of State's

determination that a foreign country is in violation of its obligations undertaken in any arms control, nonproliferation, or disarmament agreement

to which the United States is a party, or is not adhering to its arms control, nonproliferation, or disarmament commitments in which the United

States is a participating state. The determinations are described in the most recent unclassified annual report provided to Congress pursuant to

section 403 of the Arms Control and Disarmament Act (22 U.S.C. 2593a). The report is available at [https://www.state.gov/bureaus-offices/undersecretary-for-arms-control-and-international-](https://www.state.gov/bureaus-offices/undersecretary-for-arms-control-and-international-security-affairs/bureau-of-arms-control-verification-and-compliance/)
