

## RIGID FACTS

For many men it gets increasingly difficult to perform sexually as the years advance. While every individual is different, for a lot of men, impotency can become an ever worsening problem. It is estimated that around 20 million men in the USA alone will suffer from ED at some time in their life.

## ABOUT US

- With a global presence, our dedication to quality in everything we do is uncompromising, and covers every stage of the development, production and marketing of our products.
- Our business is led by a highly-experienced scientific advisory board, well-known biomedical researchers and professors in the related life sciences, pro-bodybuilder and nutrition industries, as well as leaders in the field of business and marketing.
- Through proprietary main research center and global distribution network, the Company brings together a remarkable team to fulfill its mission of constantly focusing on quality and dedicating to continuous research and collaboration with world top research institutes.

**A LIFE-TOUCHING ENHANCEMENT** works in several ways to increase your overall sexual performance. When taken together, it promotes normal healthy circulation and naturally restores the balance lost with age in the body of males over 40. It is truly an amazing product for holistic health.

### NO OTHER PRODUCT

has this proprietary formulation made up of FDA approved ingredients **PATENTED** and manufactured in a cGMP-compliant facility in the United States.

### 16 ACTIVE INGREDIENTS

provide a complete & natural way to support man's health.

### CLINICALLY PROVEN

Proprietary lab tested with vivo & vitro supported efficacy

### SCIENCE BEHIND

Essential plant extracts were used in XtraLast® to promote the conversion of natural amino acid arginine into nitric oxide (NO), a key regulator of blood circulation & penile erection. Overall, 78% of XtraLast® participants claimed an increased blood flow within 60 minutes and improved sexual performance after 45-60 days.

**100% Natural . Max Purity . No Side Effects**
