

FROM OUR FOUNDERS

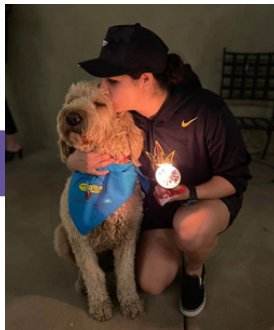

Thanks to generous supporters, 2022 was another year of significant growth for Billy's Place. We're excited to be partnering with more schools, healthcare companies, workplaces, and others across the Valley to bring greater awareness to childhood grief. The need for ongoing grief support for kids and families is so critical right now.

Together, we're spreading the impact of Billy's Place to reach more families where they are, while continuously strengthening our groups and peer support initiatives. Thank you for ensuring more kids and families who are grieving have a safe community to support them. Thanks for being our rock stars!
