

Hello Friends of Pasco Horsemens Association,

Year 2025

Pasco Horsemen's Association (PHA) is in West Pasco County off Fivay Road in Hudson, FL. PHA was established 1972, it's nine acres was donated by a member of the community. Our Association is a not-for-profit organization ran by all volunteers who hold the position of Executive Board officers, Board Directors, and Members.

At Pasco Horsemens Association we strive to teach horsemanship and good sportsmanship, promoting safe fun location for equine enthusiasts. Our Association is a membership club, citizens of the community can apply for a membership and you don't even have to have a horse. Several of our members use the facility to exercise and have fun with their canine family members too. However, when there are horses present at the facility, they take priority use of the grounds. We are a family friendly club, promoting positive sportsmanship and riding skills for the next equine generation at our facility. There is no alcohol or drugs permitted on the property. We encourage all riders, any age, any ability to participate and learn. We have something for everyone, western pleasure, English, speed events, and team sorting.

We do not train horses or give lessons at the facility, however many members do, and they foster relationships with other members who might need those type of services. We do not house or board horses at the facility. The grounds are open free to the public when an organized public show is taking place at the facility. Otherwise, only current year members have accesses to the facility 24/7. We have a large speed arena at the front of our facility that can easily be seen from Fivay Road. There is an English riding area and a dedicated area for obstacles on horseback. PHA is always a work in progress, as with any facility there are always projects but limited funds.

As previously stated, we are a not-for-profit organization, our facility runs of income generated by our equine shows or by fundraising. In the past 7 years, PHA has held successful community/fundraiser event(s) that benefited our association and the Pasco County Sheriff's Office K-9 Charities. Each year, this event gets bigger, more exciting to hold and draws in more community support and that's where you could come in to help PHA. We couldn't hold these events or continue our mission of PHA without our sponsor's support. Currently PHA offers a sponsorship to help keep this gem of Pasco County operating. PHA is a unique facility, where horses have become obsolete for transportation but have become family members and athlete partners.

If you're not sure of who we are and what we do, we invite you to check our website calendar for the next equine event and stop in at our facility at 13215 Fivay Rd, Hudson, FL 34667 and say "Hay!" But you've already heard of us and ready to sponsor our association, please feel free to return the attached sponsorship form.

Thank you for your time and we hope to see you at our next equine event.

Have a safe day and Ride on.

Pasco Horsemens Association
