

Capable sales professionals ready to market your products or services to a global audience.

“Outsourcing sales is a proven growth strategy.”

With nearly 20 years of international sales, sales management, business development, consulting and marketing experience, MBI is ready to respond to your organization’s sales and business growth challenges.

Our multi-lingual sales professionals have hands-on experience in building sales revenue, leading and motivating your existing sales force, growing existing territories, developing strategies for new markets and establishing the relationships necessary for driving revenue growth.

Our cost-effective, on-demand sales model gives you the flexibility to use our services only when you need us. We integrate directly into the changing needs of your sales pipeline.

Whether your organization is a start-up company or a thriving Fortune 500 company, our executive contacts can open doors in the IT, biotech, pharmaceutical and manufacturing Industries, as well as the Federal Government.

Call us today for more information.

MBI can help you:

- Achieve a greater sales capacity, more revenue growth and increased attention to new markets
- Avoid the distraction of tedious tasks – eliminate help wanted advertising, reviewing resumes, interviewing and hiring and go straight to INCREASED SALES
- Launch new products, develop new territories in the United States, and expose your products to new and alternate sales channels using outsourced selling resources
