

Dubai Éire Óg Code of Behaviour for Players

Dubai Éire Óg stands fast to the principle that our games will be conducted in the spirit and atmosphere of fair play as defined in the European Code of Sports Ethics:

“ (Fair Play is) much more than playing within the rules. It incorporates the concepts of friendship, respect for others and always playing within the right spirit. Fair play is defined as a way of thinking, not just a way of behaving. It incorporates issues concerned with the elimination of cheating, gamesmanship, doping, violence (both physical and verbal), exploitation, unequal opportunities, excessive commercialism and corruption.”

Dubai Éire Óg wants to make sure that all players are safe and respected while they are a part of the club. Players have a responsibility to treat others fairly and with respect. As a member of Dubai Éire Óg, players and their parents agree to follow the club's Code of Behaviour and all other policies. Players have the right to be safe and have fun while playing, to be treated with kindness and respect, to speak up and share their thoughts, to have privacy, and to be protected from any form of abuse. They also agree to always do their best, follow the rules, respect teammates and opponents, and represent the team and club with pride. They should never cheat, argue or use violence, bully or ignore others, tell lies, play or train when they are hurt or sick, or use bad language.
