

**What does a director look for at auditions?**

**VOCAL QUALITIES** pitch, articulation and projection  
**MOVEMENT** do you explore the stage directions indicated in your script  
**CHARACTER DEVELOPMENT** do you embody the character  
**IMAGINATION** and **CREATIVITY** your unique interpretation of language and character  
**EXPRESSIVENESS** is it in your words? your face? your body?  
**HONESTY** are you reacting and speaking as your character would?  
**THEN** we look at things like height, age, and hair color to think about what role you might fit into and which of the other people that auditioned might match up with you.  
**WHAT TO PREPARE: Recommended Audition Song Choices:**  
Songs should be from the Musical or Movie. Anyone considering Belle should prepare the song HOME from the musical.

## About the Production

**BUGSY:** Two gangs in a fictitious city populated only by children are in a rivalry of Capone-ian standards. Dandy Dan's gang has gotten the upper hand since acquiring the "splurge" gun (a weapon that shoots whip cream). Bugsy Malone, a one-time boxer, is thrust into the limelight when he becomes the last chance Fat Sam's gang has of surviving. All Bugsy really wants to do is spend time with his new love, Blousey... but that just isn't in the cards for our hero..

The mission of the 2NDSTAGE Youth Theatre is to provide production-based theatre education opportunities for children ages 5-17 to grow and develop as performers. Therefore, each child who signs up for the class will participate as a performer in the production. Auditions take place at the end of the first day of class in order to assign roles, but every child who signs up for the class will be cast in the show in a performance capacity.
