Shafina, your patience with us is otherworldly! I finally heard back last night from our business department with a draft RFP that I need to go over and offer some final revisions on, and then it'll be ready to go. They've got a date of Feb. 25 for closing, so while that's much later than I'd hoped when we started talking, I look forward to getting moving on this. Does that allow you and CEI to take on some other work in the meantime?

Hi Pat!
Hope all is going well.
Just wanted to check in and see if you heard anything about the RFP timeline? Also wondering if it would be helpful if I emailed Don directly to check in as well? Let me know what you think. :)

Always,
