Dear BSD,

Thank you for reaching out to us with your RFP. We appreciate your commitment to creating and sustaining an anti-racist school district where all employees, students and families thrive. We look forward to partnering with you in this effort. Attached are requested content for our RFP submission.

With personal connection and ties to this district, we are deeply invested in seeing BSD live into its values of equity and inclusion. We have seen the positive impact of equity work and believe in your district's ability to create a culture of inclusivity, equity and anti-racism. You have already made strides and so we look forward to building off the work already underway and offering new insights and guidance on how to move forward.

Thank you for considering a partnership with CEI.
