Good morning, Shafina. I'm looking forward to meeting in just a little bit, and wanted to give you a little heads-up on where Don is coming from, after having talked with him about the proposal. He is excited to work with CEI, and he's concerned about the costs of the overall partnership, wondering if it can be broken into smaller segments for a couple reasons:

1. Doing so would likely help us avoid the RFP process, as I believe any contracts over \$50,000 require us to do so; and
2. Doing so might help us spread costs over fiscal years, allowing us to possibly write parts of the partnership into our Student Investment Account proposal as part of our efforts to focus on equity within the district.

Figured I would let you know now so we can optimize the time we have together this morning. I had hoped that our CFO, Mike Schofield, could join as well, but he is tied up, so we may need to plan for another connection to bring him into the conversation. He is supportive as well, and just needs to hear the "ok" from Don.

Take care, and see you soon!

Hi Shafina!

What a week indeed...and what a weekend! I hope you are hanging in there as well!

And I am so sorry for only now responding, as it's clear I missed those morning timeslots to meet. I have some time available today, but unfortunately not at the times you mentioned. I have from now until 1:00, and then after 5:00, if anywhere in there works. Tomorrow I have a meeting scheduled from 8-12, but could meet before or after. I also have some time W-F that I could devote to connecting. Let me know if there's something in there that works for you.

Sincere apologies, as I am not accustomed to having such a limited schedule!

Hi Pat,

How are you? What a week right? I hope you are hanging in there.

I did some slight updates to the slides we reviewed last week and wanted to get them to you. I also included cost. I'd love to hop on a call early next week to talk through this and prepare for our conversation with Don. Maybe just 30 minutes if you have some time. I have the following openings - any chance these line up on your end?

- Monday 8am, 9:30am, 1pm, 1:30pm
- Tuesday 8am

Thanks so much! I'm excited and hopeful that we can get a partnership underway.
