

Dear Dog Lover,

As a dog breeder, animal health is my top priority. That's why I enthusiastically recommend NuVet Plus immune system builder to all of my customers. Simply put, it is the best nutritional supplement available today.

Hundreds of thousands of dogs and cats are using NuVet Plus to **provide optimal health and a strong immune system**. A strong immune system will protect them from environmental and food toxins such as back yard pesticides, hormones, toxic formaldehyde in furniture and carpeting. NuVet Plus also supports proper development as well as a **beautiful skin and coat**.

This is not just a vitamin. It's an **immune system builder** with a precise balance of vitamins, minerals, omega fatty acids, amino acids and high-potency antioxidants. That's why it works so well through all three stages of a dog's life.

- ✓ **For puppies** - Fills the immunity gap all puppies experience. Shortly after birth maternal antibody effectiveness is greatly reduced. By 8 weeks your puppy's immune system is at a vulnerable point. Once in their new home, the immune system is weakened by the stress of adoption and exposure to novel bacteria and viruses in their environment. This is also when the vaccine series is started. Vaccines are most effective if the immune system can respond properly. Starting NuVet Plus is important to helping your puppy grow into a healthy adult.
- ✓ **For dogs in their prime** - Provides the necessary antioxidants, amino acids, vitamins, and minerals to sustain peak performance in the prime of their lives.
- ✓ **For older dogs** - Helps provide the nutritional needs to live long, happy, and productive lives in their senior years.

I highly recommend NuVet Plus to keep your pet on the path to perfect health! It's not available in stores, and is only available to the general public with an order code from an authorized pet professional.

For your convenience, you may order directly from the manufacturer by **calling 800-474-7044** and using **Order Code: 51353**, or ordering **online** at **www.nuvet.com/51353**. You can also save an additional 15% and assure you never run out of NuVet by choosing the "AutoShip" option at check out.

To the long life and health of your dog!
