WISH TEAM

The WISH Team is a group of expert price negotiators who work with your family to secure your final arrangements at the lowest price without sacrificing any of your final wishes. Your family will choose the funeral homes they are interested in and the WISH Team will call these funeral homes to begin price comparisons and cost negotiation services. Our WISH Team is a powerful advocate for grieving families. They have consistently saved families **thousands** on final arrangements.

TESTIMONIALS

"I was able to call Legacy's WISH Team after my wife's grandfather passed away. They helped me secure a vault for \$1,000 less than what the funeral home was going to charge. The WISH Team handled the logistics. Everything went seamlessly and Legacy was a huge help to our family."

–Carey B.

"I ordered a casket, double headstone, and a vault from Legacy Assurance and saved \$3,000 on the casket alone! The WISH Team was very helpful when I needed them. They made sure that everything went the way it needed to so I was able to focus on family instead of focusing on arrangements. Legacy Assurance is there for families in their crucial time of need."

–Billy P.

"I just don't think I could have done all of this on my own. I was too emotional to go back and forth with the funeral home about prices. I'm so thankful for the Legacy Assurance WISH Team. I don't know what I would have done without them."

–Nicole J.
