Canes Omaha Banner Ad Sponsor Program

Canes GP-Omaha has baseball and softball select travel teams with kids ranging in age from 7 to 18 years old. Each team will play anywhere from 40 to 70 games per year. These teams will travel in Nebraska, Iowa, Kansas, Missouri and other regions for regular season tournaments.

To help manage costs, each team displays a banner on a visible part of the field at all of their games. It is our way of saying thank you to those who choose to donate money to help our teams. This is an excellent opportunity for you or your company to advertise your name and at the same time support local youth baseball and softball programs. These banners will be prominently displayed at over 300 local games throughout the spring and summer.

Please consider sponsorship of our program. We thank you for your sponsorship and support of our local youth baseball and softball!
