

Local Action, Global Goals: tabanni's SDG & ESG Alignment

By supporting or partnering with tabanni, you are investing in measurable impact that extends beyond animal welfare. Below is our Environmental, Social, and Governance framework (ESG), which is core to our work and allows us to work towards environmental sustainability, community development, and transparent governance.

Get to know more about how you can invest in a cause that generates positive returns for animals, communities, and aligns with your organization’s objectives.

ENVIRONMENTAL (E)	SOCIAL (S)	GOVERNMENTAL (G)
BIODIVERSITY SUPPORT Protecting urban animals as part of local ecosystems.	COMMUNITY ENGAGEMENT Volunteer programs, fostering networks, adoption days.	ETHICAL OVERSIGHT Alignment with global animal welfare guidelines (WOAH standards).
RESOURCE EFFICIENCY Using sustainable, upcycled, or donated materials for animal care and fundraising products.	ANIMAL WELFARE AS A SOCIAL VALUE Core mission revolves around humane treatment and advocacy.	TRANSPARENCY Clear reporting on how donations and merchandise revenues are used.
WASTE REDUCTION Responsible disposal of veterinary and shelter waste.	EDUCATION & AWARENESS Workshops, school visits, and campaigns to shift cultural attitudes toward animals.	ACCOUNTABILITY Documented operational procedures for animal care, adoption, and community programs.

It is also worth noting that through our comprehensive programs, we actively contribute to 8 key Sustainable Development Goals (SDGs), creating a more equitable, healthy, and sustainable future for all.

GOOD HEALTH & WELL-BEING

Managing stray animal populations reduces zoonotic disease risk; improving working animal welfare enhances human safety and health.

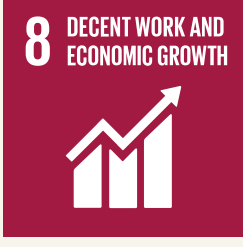

QUALITY EDUCATION

School outreach and public education campaigns instill empathy, compassion, and responsible pet care.

DECENT WORK & ECONOMIC GROWTH

Volunteer and foster programs provide skills, potential livelihood opportunities, and microeconomic benefits.

REDUCED INEQUALITIES

Advocating for humane treatment of all animals, regardless of breed or status, reflects broader inclusivity and social equity.

SUSTAINABLE CITIES & COMMUNITIES

Humane urban animal management creates safer, cleaner, and more welcoming public areas.

RESPONSIBLE CONSUMPTION & PRODUCTION

Use of upcycled pet toys and sustainable products reduces waste and promotes circular economy.

LIFE ON LAND

Caring for stray and working animals supports urban ecosystem balance and biodiversity.

PEACE, JUSTICE & STRONG INSTITUTIONS

Collaboration with local authorities and communities to develop humane policies for animals.
