FLIGHTHOUND

THE ULTIMATE TRAVEL CLAIM SOLUTION

PASSENGERS ARE OUR PRIORITY

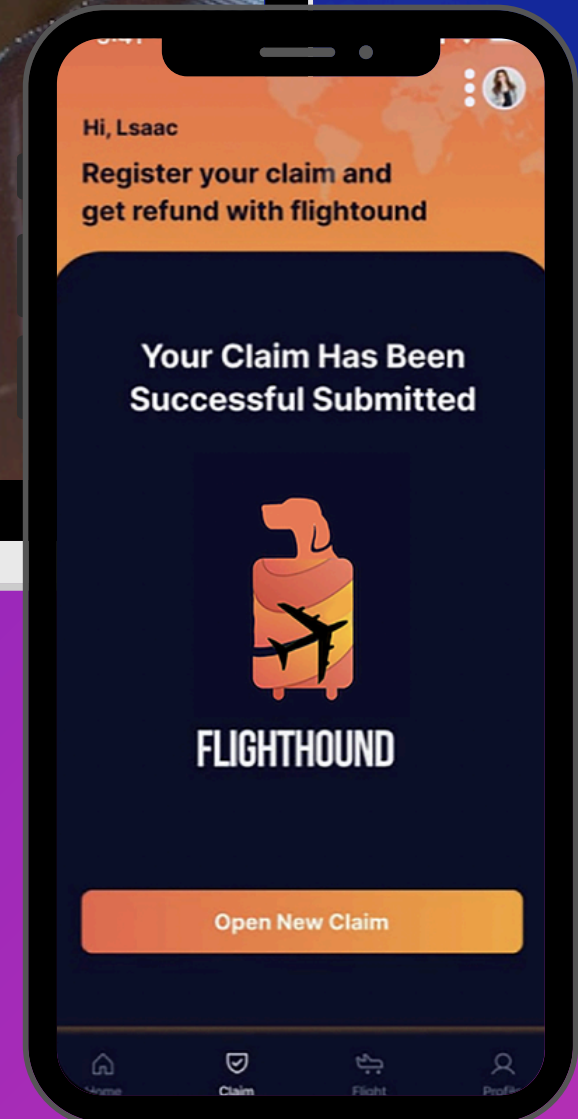

FlightHound makes it fast and easy for travelers to claim the money they are entitled to from delayed flights, missing baggage, and flight cancellations during travel.

FLIGHTHOUND GETS YOU PAID

FlightHound provides a simple way to submit a travel disruption claim that reflects the true value of the impact on their travel.

UNPAID TRAVELER
CLAIMS PER YEAR
\$5 BILLION

TRAVELER BAGS
LOST PER YEAR
2 MILLION

OUR SERVICES

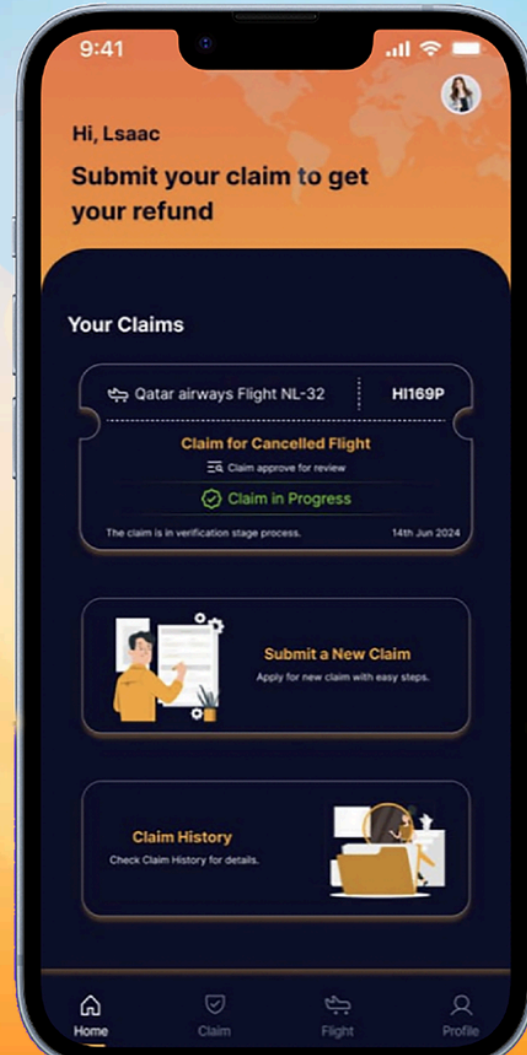

The app offers a seamless interface that guides travelers through the flight disruption claim submission process. Our Smart Bag Tag not only locates your bags but returns them to you wherever you are.

FlightHound also provides passengers information including flight plans, schedule changes, departures, arrivals, cancellations, diversions, gate and seat information to provide real-time assistance.

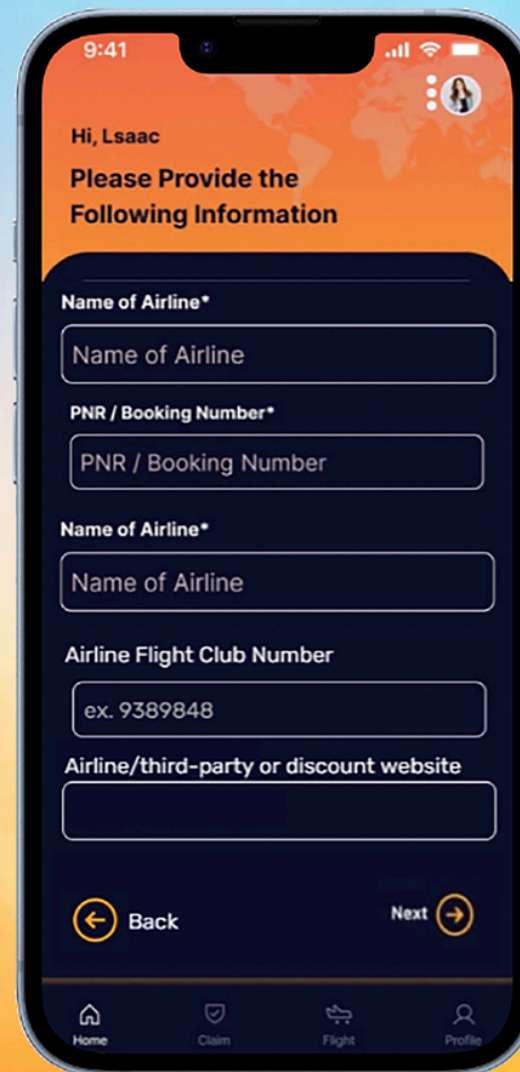

HOW FLIGHTHOUND WORKS

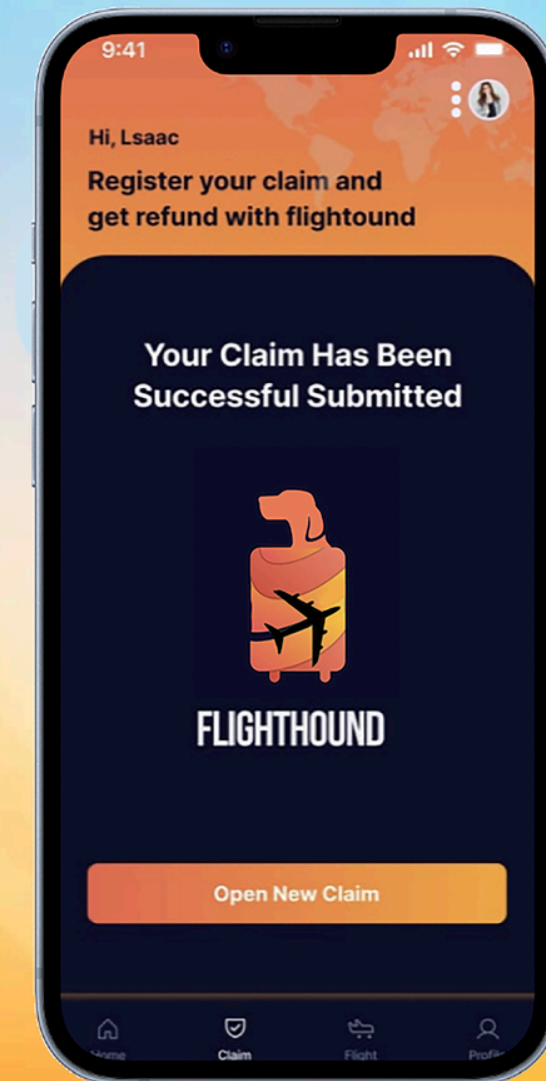

Get compensation for delayed flights, cancelled flights and mishandled baggage

App is free to use and there is no fee to submit a claim

Dedicated 24/7 support to get you the compensation you deserve

OUR FOUNDER

DAVID HANDY

David is an American entrepreneur, inventor, and problem solver. FlightHound was born while David was completing 100 hours of an eight week training session for a major American airline.

His diverse and in-depth experience in quality management methodologies, global supply chain sourcing, high-volume production operations, enterprise application software implementations and entertainment business development blend together seamlessly fueling his years of entrepreneurial success.

THANK YOU!
