

# Vendor Conduct Agreement

- All vendors are responsible for their own licenses.
- All vendors are solely responsible for their own merchandise. The Snake River Heritage Center is not responsible for lost, stolen, or disputed items.
- Vendors may park on the lawn for initial set up or take down for as long as needed, provided they are not in the way of campers or other vendors. For daily unloading needs, please limit parking to no more than thirty minutes, no exceptions. If you require more time to unload, please inquire about renting an additional spot.
- The fire escape on the North side of the building is an Exit Only. Do not enter, regardless of if the door is open.
- Please be courteous. If any activity or merchandise causes disruption or incites complaints, the Snake River Heritage Center reserves the right to ask you to cease the activity or selling of the merchandise for the entirety of the Festival.

I agree to abide by the requests in this agreement: \_\_\_\_\_
