

Custom Artwork Submission Requirements

1. All artwork must be in vector format. Adobe Illustrator software is used for printing.
2. Document size set to 8.5" x 11" with a minimum 1/2" margin
3. All colors set to their CMYK value, White set to 0,0,0,0. An undercoat will be printed under all colors.
4. Graphics can all be placed on the same layer.
5. A second layer can be added under the first and set to 40% cyan to allow white graphics to show.
6. Text must be outlined.
7. An artwork proof will be provided for approval before printing.
