To be included in a given season's conference championship schools must make their petition to the board of directors by April 1<sup>st</sup> and meet rule 6.b.

## 5) League Structure:

The goal of each individual school shall be to field one varsity and one junior varsity team.

## 6) League Playing Rules:

### a. **Team Structure**

1. Six bowlers will bowl each game.
2. A legal lineup will consist of at least four bowlers (see forfeits).

### b. **Schedule**

Every team shall bowl each team **ONCE** per season. All non-conference matches & tournaments will be scheduled by each individual school, including cross-conference matches with NIC-10, NIBC or other schools. See master schedule.

### c. **Point System**

All bowlers will be done on a scratch basis. Each team will bowl six bowlers. No new game of bowling shall be started until all bowlers at both levels have completed their games, unless both coaches agree. Each match will consist of three (3) games. For conference championship purposes the winner of **each GAME will receive ONE standings point** and the team with the **greatest Series pin fall shall receive TWO standings points**. Place positions within the conference will be determined by these standings points. To determine overall season match records (wins / losses), the team which has the greatest series pin fall will be declared the match

“winner”. This record will have no bearing on the individual conference standings – except as a tie breaker.

#### d. Playing format

1. A team is expected to present a legal lineup on the lanes at the scheduled starting time for the match.
2. Practice: 10 minutes is allowed (5 minutes on each lane). A team cannot start to practice until both teams have arrived on the LANES. Bowlers are not allowed to bowl on the same day prior to a competition in bowling center the competition is to be bowled (an exception would be if you have your gym class in the bowling center on that day).
3. Eligibility: It is the responsibility of the school’s coach to ensure all bowlers meet academic eligibility. Schools that bowl ineligible bowlers will lose all matches that the ineligible student competed in. Students that become ineligible will not be allowed to bowl until they become eligible by their school. Refer to IHSA rules.
4. Substitutes – A substitute bowler may be used during a match at the start of any FRAME. The substitute may NOT be currently bowling at any level (Varsity or JV) in the match (must be on the bench). A substitute must be declared by the head coach to the opposing team’s head coach. Once a bowler has been removed from a game, he/she cannot return during that same game. ***The person who bowls the first frame of that game shall receive credit for that game. Record score under starting person and CIRCLE Score.*** Substitutions from JV to Varsity will be allowed at the completion of each game. The replaced Varsity player may not participate at the JV level for the remainder of the contest; however, may be re-inserted into the Varsity line-up at any time.
5. Injury Substitutes: If an injury occurs during a match and an individual must be removed from the line-up the coach may either replace that individual with someone who is not currently participating in the match (at any level) OR they may take 10% of the applicable Vacancy score (see rule 6.c.6) per frame for the remainder of the game. At the end of the game a coach may take someone from another level to fill the spot for the remainder of the match.
6. Vacancy scores: Teams that have a legal, but less than full lineup, may use up to 2 vacancy scores. The vacancy score shall be the **LOWER** of 150 for Varsity Boys, 130 for Varsity Girls, 120 for JV Boys, and 100 for JV Girls OR the lowest score of the opposing team - when one vacancy score is used or the 2 lowest scores if 2 vacancy scores are used.
7. Home team: The home team is the second team listed on the schedule and is responsible to email the scores to the official statistician and media.
8. Forfeits: Every attempt will be made to bowl all conference matches at all levels. Two types of forfeits will exist, minimum legal line-up and failure to show for a contest.
  - A. If teams are unable to show at a contest, communication must occur promptly that day and the match rescheduled prior to the end of the conference season. Only as a last resort will a match be declared a forfeit. The declaration of a forfeit will be made by the conference officers after exhausting all reasonable attempts to reschedule. Coaches may appeal the officers decision to the entire conference Board of Directors, if they so see fit. If a match is declared forfeited no bowling will occur and the winning team will receive 5 standings points.
  - B. Minimum Line-up: A game or a match will be forfeited if a team fails to field at least four team members.

9. Protest: The coach, as representative of the bowling team, must file any protest within 24 hours after the league series in which the infraction occurred. If the protest is not filed within 24 hours, scores shall stand as bowled. All protests will be filed with the Commissioner along with a copy of the score sheets and an explanation of the infraction. The Board of Directors will review the protest and their decision will be final.
  
10. Conduct of Coaches and Player:
  - A. No coach, player or other person officially connected with the team shall be permitted to use any tobacco or alcohol products on the bench or in the playing area during a match.
  - B. Bowlers will respect the unique rules of each host center in regards to seating / standing or beverages in the settee area.
  - C. Bowlers will be expected to follow the previous bowler promptly and will be required to bowl as soon as the one lane to their right is clear.
  - D. Unsportsmanlike conduct, including but not restricted to: deliberate foot fouls, vulgar language, or abuse of equipment or facilities, is not permitted.
  - E. Unsportsmanlike Conduct Enforcement Policy: It shall be the two head coaches' responsibility to handle unsportsmanlike conduct issues as they arise.
    - a. Step 1 - When an issue arises, both coaches will meet to discuss the issue as soon as it is observed. If the coaches agree on the infraction, the penalty will be assessed immediately.
    - b. Step 2 - If the coaches do not agree and supporting documentation can be provided, an appeal can be made to the conference board of directors to have the policy enforced through the protest process (see rule 6.c.9). In such case, a detailed frame-by-frame scoring of the game must be submitted with the appeal.
      - i. 1<sup>st</sup> incident-Zero for the frame that was just bowled and zero for the next frame (zeros can be carried over to the next game or next match).
      - ii. 2<sup>nd</sup> incident-all of the first incident penalties plus the bowler will be taken out of the match. The coach may bring in a sub for that bowler, (in accordance with the injury substitution rule). If the bowler is in the third game when the violation occurs, the bowler will be prevented from bowling in the next match also. Depending on the severity of the conduct violation, the bowler may be subject to the 2<sup>nd</sup> level of punishment immediately.
  - F. The coach(s), league officials and the bowlers in a match are the only persons authorized to be in the bowler's area during a match. Substitutes or any other interested parties must remain behind the area defined as the bowler's area.
  
11. Scorekeeping: Scorekeeping will be performed by the players, coaches, or other designated individuals. It will be the responsibility of the team head coach to verify that scores are complete and accurate. The score sheets must be signed by the coach or captain. Scoresheet must be emailed to the Statistician same days as match (no Fax available).

## **7) Bowling Practice**

- a. In a meet or tournament host center:
  1. None of the bowling lanes within the bowling establishment may be used for practice by any team member or sub on the day of any match or tournament. A bowler that violates this provision will not be allowed to compete in the given event.
- b. Prior to start of match & tournament:
  1. Five minutes of practice is allowed on each lane. (Exception: when a team is late for the match). Tournament practice will be defined for each individual tournament.
- c. Required practice sessions:

1. It is the responsibility of each head coach to conduct formal practice sessions each week during the bowling league season. These sessions must be prearranged with the participation bowling centers to ensure lanes are reserved and available.
- d. Practice Scheduling:
1. Schools will be responsible for scheduling practice sessions with their own home center(s).
  2. The conference will have available a practice session “contract” that member schools may use when scheduling the entire season’s practices.
