FALL LEAGUE

Registration Now Open

**We have the perfect league for anyone:
From traditional full season USBC certified leagues to
short season casual leagues designed for bad bowlers.**

*Bowling is America's #1 Participation Sport
70 Million people per year*

**But I am not "good enough"
for a bowling league.**

WRONG! - Here's Why!

**Over 20
Leagues Offered**

***Everyone is "Good Enough"
for a League. Here's WHY!***

Bowling Leagues use a Handicap Scoring System, to allow for bowlers of different ability levels to compete more fairly within the same league.

For example a league that uses a 100% of 200 system would work as follows. A bowler who averages 130 will receive 70 (200-130) bonus pins (pins of handicap) added to their score. A bowlers average and handicap will be adjusted each week based on the overall score and number of games. The computer scorers will calculate your handicap for you. Your job is to just have FUN!

Upgrade Options

Upgrade to a Reactive Resin Ball:

Why would I do this? This type of ball will allow you hook the ball more. If you are a straight ball bowler and have no interest in learning how to throw a hook ball, then do not consider the upgrade.

How? The Pro shop will simply apply the value of the T-zone (\$99) toward any ball the pro shop offers.

Examples: Upgrade to the Roto Grip Hyped Pearl for an extra \$80 (\$179 - 99) or Upgrade to the Brunswick Rhino for an extra \$55 (\$154 - \$99)

When do I receive my new bowling ball ?

New bowlers will be given their new bowling ball certificates at the mid point of the league. The bowler will then bring the certificate to the BowlersMart Pro Shop to get professionally fitted and to select the specific ball they want.

What if I want my new ball sooner ?

No problem - Just pay a \$20 rush fee and you will be given the certificate immediately to bring to the Pro Shop at your convenience. You will get professionally fitted and your ball will be ordered right away if it is not in-stock. Your ball will arrive within 1 week.
