# BUILT TO PLAY AND GROW

Over the past seven years, the mission of our Waterford Skate Park committee volunteers has been to build a concrete outdoor skate park for community members of all ages and abilities. The shared vision is for it to be a fun, inclusive, and safe space for people to enjoy outdoor activities with their skateboards, bikes, scooters, inline skates, wheelchairs, and more.

This initiative is committed to ensure that all people have equal access and opportunity to sports and physical activity in a healthy, outdoor environment. Our youth deserve a place to grow, and skate parks build and sustain healthy communities.

# DEAR SPONSOR

In 2018, a group of concerned citizens recognized that the growing Waterford community needed an inclusive, fun, and safe recreational environment for children and their families. The concept of a top-notch Skate Park with a park-like atmosphere developed, and through support from Norfolk County and extensive fundraising by a team of volunteers, our dream became a reality this year!

The Waterford Skate Park held its Grand Opening on June 19th, 2024. The park is being well used from dawn until dusk by skateboarders, scooters, and bikers, while family members and friends sit nearby on benches and picnic tables in a pleasant, treed setting.

Costs of construction have been higher than anticipated and we find ourselves reaching out once again for sponsorship support. 100% of your donation will go directly toward the final construction costs and you will be eligible to receive a Charitable Tax Receipt for your donation as well as web and social media acknowledgements.
