DE LA TIERRA

REFLECTIONS OF PLACE IN THE UPPER RIO GRANDE

ON EXHIBIT NOW - 4/6/25
HISTORY COLORADO CENTER
DENVER, CO

Carlos Sandoval

De la Tierra: Reflections of Place in the Upper Río Grande

Showcasing multiple generations of Hispano families and communities who played a role in shaping the region's cultural identity. They forged deep connections with the lands and waters of the Upper Río Grande and its tributaries by introducing animals, goods, and customs, creating a unique cultural blend that is still seen in the vibrant energy and rich history of this dynamic landscape and its communities that call it home.
