

UNIFORM POLICY

Dress for Success!

Teachers of Infinity School of Dance reserve the right to refuse your child into class if they are not dressed in the correct school uniform.

Why we hold a strict uniform policy:

Infinity School of Dance is proud to uphold professional values across all aspects of the school, including our uniform policy. We promote high expectations and must remind all parents/students that uniform is compulsory – not optional.

Within class, we discuss the importance of uniform, hair and attire with the students. We feel it is important for them to know what the uniform is but also to understand why they wear it.

Wearing a uniform gives the students a sense of belonging and equality. It helps to minimise distractions, gives the class a unified look and allows the primary focus to be on teaching and learning.

A uniform is chosen due to many factors including exam boards, schemes of work, professional attire/dress to name a few. A uniform ensures teachers can clearly see the dancer's alignment, in addition to teaching discipline and supporting the overall focus and energy of the class.

To ensure the health and safety of everyone, students should not wear any jewellery and have hair in either a pony tail or bun – shorter style hairs must wear a hair band. Chewing gum or eating during a lesson is strictly prohibited.

We advise all our students to have a dance bag. This dance bag can be one of your choice or purchased from our studio. A dance bag should hold items such as: dance shoes, spare hair bobbles, water bottle etc.

Infinity merchandise including T-shirt, Zip Hood, bags and water bottles are available to purchase from the dance studio.

For a full list of specific class uniforms, please see below.
