JWHammer LLC

Access, Analysis, Results

JWHammer, LLC is an Illinois BEP vendor that specializes in quality improvement, regulator navigation and project management. JWHammer, LLC is led by Jennifer Hammer, who is a former Illinois Department of Insurance Director and has more 15 years of experience in health care law, policy and regulation. Traditionally, JWHammer works closely with your leadership, quality, state government affairs/relations, and/or PMO teams to manage projects and provide impressive results.

Quality Improvement and Project Management

At JWHammer, we take pride in delivering exceptional service across multiple strategic and operational areas:

- **PIP Preparation and Review:** Our expertise in drafting and reviewing Performance Improvement Projects (PIPs), such as maternity and transportation, ensures alignment with HSAG requirements and enhances program outcomes.
- **Strategic Advice and Planning:** We offer specialized strategic guidance on regulator navigation, external consultants, and managing your legislative lobbying, while also driving association and community engagement to support long-term growth and partnerships.
- **BEP Vendor Strategy:** We provide expert advice and hands-on project management to ensure BEP vendor goals are met efficiently and effectively, aligning with business objectives and compliance requirements.
- **Quality Compliance Support:** Our team diligently works with your Compliance Team to assist in the preparing and revising of essential reports like Annual Reports and Quarterly Business Reviews (QBRs), while making recommendations and implementing quality improvement initiatives.
- **Competitor Analysis:** We provide deep insights into competitor strategies by analyzing their QBRs, Annual Reports, and other key documents, helping our clients stay competitive and adapt to industry trends and HFS preferences.
- **RFP Readiness, Response, and Implementation:** We offer ongoing program management, strategic advice, and valuable insights to ensure successful RFP submissions, from initial readiness to post-award implementation.
- **Vendor Audits:** Our team conducts thorough policy audits of vendors, ensuring performance aligns with Statements of Work (SOWs) and compliance standards, safeguarding the integrity of vendor relationships.
- **Accreditation Support:** We provide dedicated project management to accreditation teams, ensuring all requirements are met for successful accreditation processes.
- **Committee Support:** We help prepare staff for committee meetings, manage documentation, and ensure smooth operations through note-taking and follow-ups, facilitating informed decision-making.
