Why Budget?

Freedom. Point blank.
Your budget will allow you to understand where you stand financially. From that understanding you will be able to make adjustments that will forever alter your life!

What budgeting will not do:

1. Make you magically rich
2. Find money you never had
3. In and of itself save your financial future

What budgeting WILL do:

1. Give you a clear picture of your financial situation
2. Allow you to make adjustments where possible to better manage the money you already make
3. Show you if and why you need a side hustle, promotion, or raise
