### About Our Company

**Trident Ground Protection(TGP)** is committed to providing you with top notch support and knowledge for all of your security needs. We approach every client with a direct focus on integrity, advocacy, and understanding. **TGP** was established with one goal in mind, to provide our clients with more than simply a security guard. Our team consists exclusively of true security professionals. **TGP** actively recruits and hires our military veterans and former or retired law enforcement personnel. By hiring this caliber of employee, we provide our clients with a more disciplined, dedicated and focused officer.

### Services

Whether your business is looking to develop a comprehensive security program or it's in need of professional and dedicated security services, you can rest assured that we are the best solution.
