Pastor,

We, at CEA, believe that we are in a critical time in our churches and in our nation. Our churches, who in the past took the lead, set examples and influenced the culture with God's word and principles have fallen behind and are now followers of the standard that the culture has accepted. Churches are being heavily influenced through weak leadership and unprincipled men. The Church, as a whole, in our nation has been intimidated to stay silent within our buildings, unable to sway or influence the established thought.

History teaches us what we can and must do at this time to continue in the freedoms that God has given to us. The German Church of the 1930's was intimidated and complied with the established thought. They were given the Spirit of power, but failed to speak for the ones who could not in the face of evil and cowered having the spirit of fear. Tragedy took place and many lost their lives.

We believe the Church must lead once again with encouragement and influence the culture with the principles of God and His word. The Church has a duty to implement what our Savior taught us. Jesus tells His servants to "Occupy till I come". The Church is to occupy until Jesus comes. Occupy means to stay busy until the Master comes.

It is time for the Church to be busy again by preaching the Gospel, making disciples and allowing the Spirit of God to guide us into action.
Pastor, should we not be ashamed of ourselves for being silent while our nation falls deeper into immorality and paganism?
Isn't it time we assume our responsibilities as God's men to lead like the men who led during our era of liberty 247 years ago?

We are not called by mistake and we are not here by some mistake. This is the hour that we are called to be in. This is the hour of the American Church.
Will you stand with us as we inform and encourage churches and pastors with Biblical Worldview?

Will you stand with us as we expose and contend with paganism and wokeness as they have infiltrated and influenced our churches?

"Stand fast therefore in the liberty by which Christ has made us free, and do not be entangled again with the yoke of bondage"

Sincerely,
Steve Ceh
