COASTAL SKIPPER AND YACHTMASTER THEORY

This RYA certified Coastal Skipper and Yachtmaster theory course is a demanding, shore-based course for experienced sailors, which equips you to navigate safely on coastal and offshore passages.

This course will take your theory knowledge to the standard required for the Yachtmaster Coastal and Yachtmaster Offshore practical exams, concentrating on advanced navigation and skills. The course provides instruction in tides and tidal streams, pilotage, meteorology, safety at sea, passage planning and advanced navigation techniques including yacht positioning, use of a magnetic compass, GPS and chart plotters.

Course topics include:

- Charts and Publications
- Passage Planning, Routing and Plotting
- Tides and tidal streams
- Rules of the Road
- Secondary Port Calculations
- Course Shaping and Plotting
- Advanced use of Chart plotters and other Electronic Position Fixing Equipment
- The interpretation of weather forecasts including use of forecasting with a Barometer

COURSE DURATION AND COST

Course duration: 40 classroom hours including 3 exams

Cost: €695 per participant
