

Join the Provia Psychology Team as a Licensed MFT/PCC/CSW/Psychologist

Provia Psychology, Inc. is a rapidly growing group practice in Long Beach and Newport Beach, helping folks with a variety of presenting psychological struggles.

The practice is expanding to meet the growing needs of the communities we serve. We have openings for a licensed therapist who is interested in working at least 25 hours per week.

This position is perfect for someone who loves the work of providing therapy without the headaches and loneliness that come with private practice on your own, including worrying about office space issues. We have 2 beautifully decorated office locations!

- We take your calls and do your scheduling.
- We handle all of your administrative work.
- We panel you on numerous insurance companies.
- We do your billing.
- We do your collecting.
- You show up, provide great therapy, and chart.

The ideal candidate enjoys working in a supportive and encouraging atmosphere with minimal paperwork & meetings and a growing number of referrals each month.

Summary

We are seeking a dedicated and compassionate Licensed MFT/PCC/CSW/Psychologist to join our team. As a Mental Health Therapist, you will provide therapeutic services to individuals dealing with various mental health issues. Your role will involve conducting assessments, developing treatment plans, and implementing evidence-based interventions to support clients in their journey toward improved mental well-being.

To apply, please email your resume and a brief introduction to
admin@proviapsychology.com.

Overview

- Job Type: Full-time
- Pay: \$85,000.00 - \$110,000.00 per year
- Expected hours: 32 – 40 per week
- Schedule: 5 days (including Saturdays)
- Location: Ability to Commute to Long Beach and Newport Beach

We offer competitive compensation packages, including benefits such as medical insurance, paid time off, a retirement plan, and professional development opportunities.

Join our dynamic team and make a difference in the lives of individuals seeking mental health support!

Responsibilities

- Conduct comprehensive assessments to evaluate clients' mental health needs
- Develop individualized treatment plans based on assessment findings and client goals
- Provide individual and group therapy sessions using evidence-based therapeutic techniques
- Collaborate with other healthcare professionals to ensure holistic care for clients
- Monitor and evaluate client progress, adjusting treatment plans as necessary
- Maintain accurate and up-to-date documentation of client sessions and progress
- Provide crisis intervention services as needed
- Stay informed about current research and best practices in the field of mental health therapy

To apply, please email your resume and a brief introduction to
admin@proviapsychology.com.

Experience

- Proficiency in providing counseling for various diagnoses including trauma-related conditions such as PTSD
- Working with LGBTQIA+ community preferred
- Anti-Oppression training preferred
- Strong understanding of crisis intervention strategies

Requirements

- Master's degree in Counseling, Psychology, Social Work, or a related field
- Valid license in good standing as a Mental Health Therapist (e.g., LPCC, LCSW, LMFT)
- Excellent communication and interpersonal skills
- Ability to work effectively with diverse populations
- Strong organizational skills and attention to detail

Benefits

- Dental insurance
- Flexible schedule
- Health insurance
- Paid time off
- Professional development assistance
- Retirement plan
- Vision insurance

To apply, please email your resume and a brief introduction to
admin@proviapsychology.com.
