17	Story King	Oh Mighty President	NC	174	16

In the event of a tie in the America 250 Dica Poetry Contest, additional consideration was given to contestants who had more than one work advance to the second round of judging, recognizing the overall strength and consistency of their submissions. If tied contestants each had multiple works selected for the second round, the higher ranking was awarded to the contestant whose second-highest scoring work received the stronger evaluation.
