

COVERPACK DE MEXICO

CATALOGO DE PRODUCTOS

Source manufacturer of plastic steel strapping

Focused on the packaging industry for 15 years

GREEN TRANSPARENT PLASTIC STEEL STRAPPING

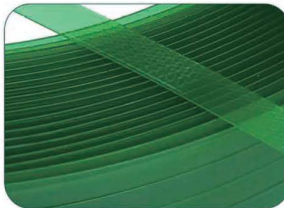

Strong tensile strength/no splitting/high transparency

PRODUCT INFORMATION

Product Name: Green Transparent Plastic Steel Packing Belt
Color: Green
Material Science: PET
Weight: Customized as needed
Specification: Customized as needed
Scope of application: Stone, slabs, glass, brick factories, steel
Photovoltaic and other packaging industries.

PRODUCT REAL-LIFE DISPLAY

PLASTIC STEEL STRAPPING

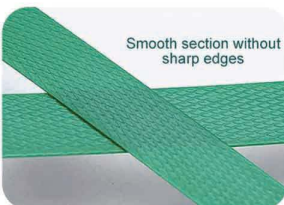

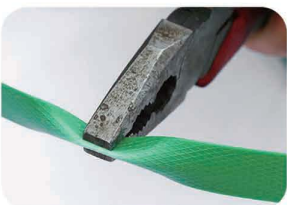

High tensile strength/no splitting/strong thermal fusion

PRODUCT INFORMATION

Product Name: Green Plastic Steel Packing Belt
Color: Green
Material Science: PET
Weight: Customized as needed
Specification: Customized as needed
Scope of application: Stone, slabs, glass, brick factories, steel
Photovoltaic and other packaging industries.

PRODUCT REAL SHOT DISPLAY

BLACK PLASTIC STEEL STRAPPING

Strong tensile strength/no splitting/strong heat fusion

PRODUCT INFORMATION

Product Name: Black Plastic Steel Strap

Color: Black

Material Science: PET

Weight: Customized as needed

Specification: Customized as needed

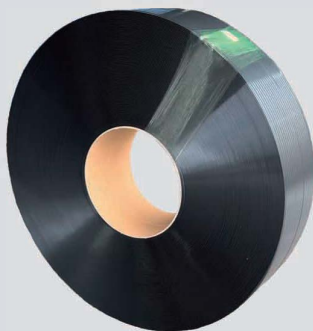

Scope of application: Stone, slabs, glass, brick factories, steel
Photovoltaic and other packaging
industries.

PRODUCT REAL-LIFE DISPLAY

BLACK AUTOMATIC MACHINE WITH PACKING TAPE

High tensile strength/no splitting/strong heat fusion/high
straightness/333 kg

PRODUCT INFORMATION

Product Name: Black Automatic Machine Packaging Tape

Color: Black

Material Science: PET

Weight: Customized as needed

Specification: Customized as needed

Scope of application: Stone, slabs, glass, brick factories, steel
Photovoltaic and other packaging
industries.

PRODUCT REAL-LIFE DISPLAY

GREEN AUTOMATIC MACHINE PACKAGING TAPE

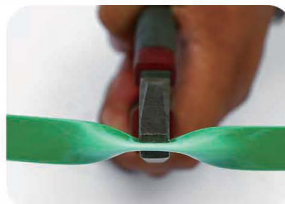

High tensile strength/no splitting/strong heat fusion/high straightness

PRODUCT INFORMATION

Product Name: Green Automatic Machine Packaging Tape
Color: Green
Material Science: PET
Weight: Customized as needed
Specification: Customized as needed
Scope of application: Stone, slabs, glass, brick factories, steel
Photovoltaic and other packaging industries.

PRODUCT REAL-LIFE DISPLAY

GREEN AUTOMATIC MACHINE PACKAGING TAPE

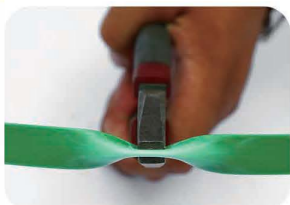

High tensile strength/no splitting/strong heat fusion/high straightness/333 kg

PRODUCT INFORMATION

Product Name: Green Automatic Machine Packaging Tape
Color: Green
Material Science: PET
Weight: Customized as needed
Specification: Customized as needed
Scope of application: Packaging industries such as stone, board, glass, brick factories, steel, photovoltaics, etc.

PRODUCT REAL-LIFE DISPLAY

DARK GREEN COTTON PLASTIC STEEL STRAPPING

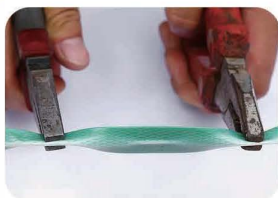

High tensile strength/non splitting/strong heat melting/
cold resistant

PRODUCT INFORMATION

Product Name: Dark Green Cotton Plastic Steel Packing Belt
Color: dark green
Material Science: PET
Weight: Customized as needed
Specification: Customized as needed
Scope of application: Stone, slabs, glass, brick factories, steel
Photovoltaic and other packaging
industries.

PRODUCT REAL-LIFE DISPLAY

COLORED PLASTIC STEEL STRAPPING

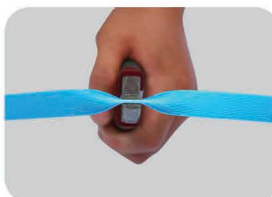

High tensile strength/no splitting/strong heat fusion/high
straightness/diverse colors

PRODUCT INFORMATION

Product Name: Colored Plastic Steel Packing Belt
Color: Blue/Yellow/Purple/Red/White, etc
Material Science: PET
Weight: Customized as needed
Specification: Customized as needed
Scope of application: Stone, slabs, glass, brick factories, steel
Photovoltaic and other packaging
industries.

PRODUCT REAL-LIFE DISPLAY

PRINTED PLASTIC STEEL PACKAGING TAPE

High tensile strength/non splitting/strong heat fusion/
customized for personal use

PRODUCT INFORMATION

Product Name: Printed Plastic Steel Packing Belt

Color: Green/Black

Material Science: PET

Weight: Customized as needed

Specification: Customized as needed

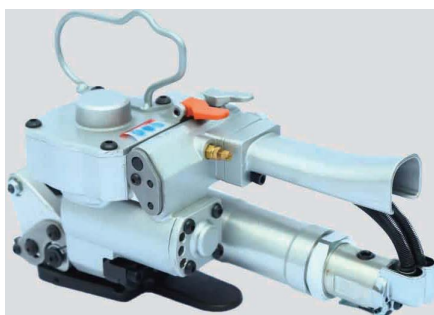

Scope of application: Stone, slabs, glass, brick factories, steel
Photovoltaic and other packaging
industries.

PRODUCT REAL-LIFE DISPLAY

BALER

Versatile functions/Strong tightening force/Good hot melt
properties

PRODUCT INFORMATION

Product Name: Pneumatic Packaging Machine/Manual
Packaging Machine

Model: 16-25

Air pressure: 0.5-0.8mpa

Large bundle quantity: 3500n

Applicable packaging tape: plastic steel tape

Power: 3KW

Suitable packaging tape size: Width 13-19mm, Thickness 0.5-1.5mm

Application: Board, wood, glass, red brick, etc

PRODUCT REAL-LIFE DISPLAY

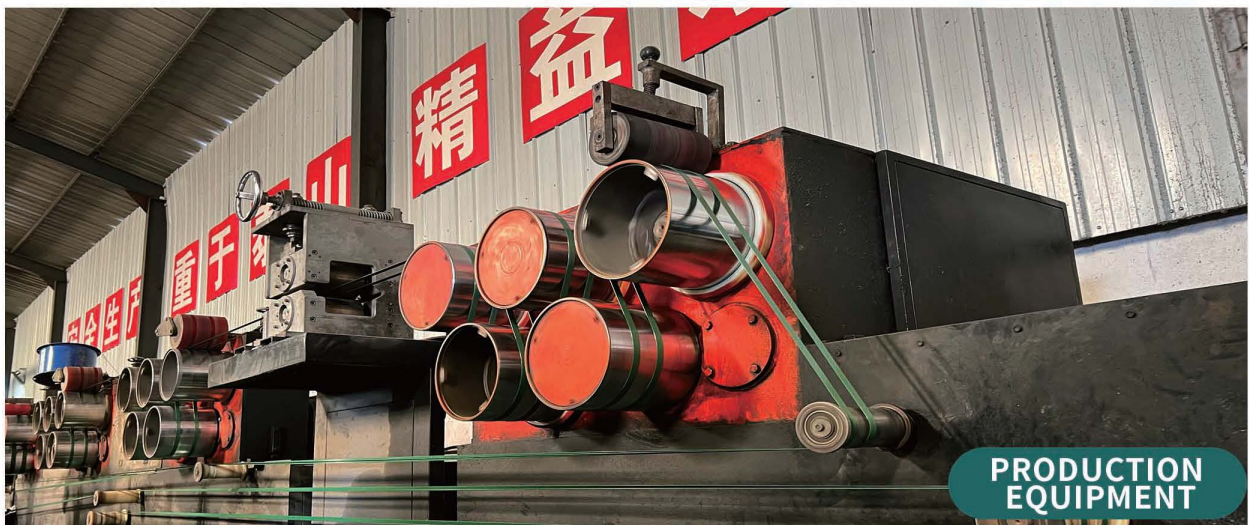

Specification and tensile value of PET strapping

Specification and model	Nominal width/mm	Nominal thickness/mm	Tensile strength (N)			
			D	L	M	H

POLYESTER FIBER STRAPPING

Support customization, sufficient inventory, and fast delivery

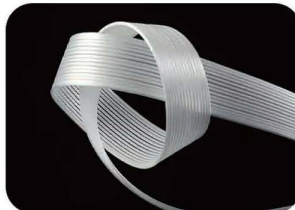

PRODUCT INFORMATION

Name: Polyester Fiber Belt
Color: White
Material: Polyester fiber
Tensile strength: 485-1900KG
Length: 250-1100 meters
Width: 13-32 (MM)
Product usage: tray, steel, aluminum, chemical fiber and other industries

wide	Length/Rotation	Tensile force (kg)	Capacity/box	Supporting packaging buckle
13mm	1100	480	2	1330#/13cm
16mm	850	688	2	1635#/16mm
19mm	500	725	2	1940#/19mm
19mm	600	725	2	1940#/19mm
25mm	500	1352	2	2550#/25mm
30mm	250	2600	2	3270#/32mm

PRODUCT REAL-LIFE DISPLAY

POLYESTER FIBER BUCKLE

Support customization, sufficient stock, quick delivery of stock

PRODUCT INFORMATION

Name: Fiber Belt Buckle
Color: Metallic
Material: High quality steel
Specification: 13/16/19/25/32
Features: Easy to operate, strong tensile strength
Scope of application: Fiber tape

PRODUCT REAL-LIFE DISPLAY

PLASTIC STEEL PACKAGING BUCKLE

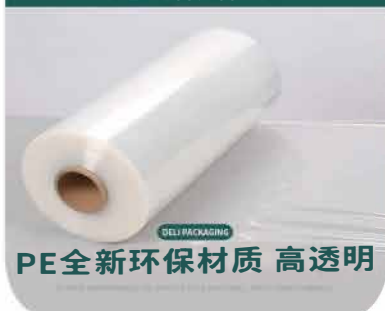

Support customization, sufficient inventory, and fast delivery

PE STRETCH WRAP FILM

Support customization, sufficient stock, quick delivery of stock

**4 REASONS TO CHOOSE
DELI PACKAGING**

**GOOD TENSILE STRENGTH, WATERPROOF
AND MOISTURE-PROOF**

WHAT YOU BUY IS WHAT YOU SEE
