PROTEIN PANTRY MEMBER BENEFIT

TURN YOUR MEMBERSHIP FEE INTO A HEALTHY MEAL FOR YOUR FAMILY!

Your Douglas County Farm Bureau membership does more than connect you to agriculture — it can help put local, farm-fresh protein on your family's table!

RAISED LOCAL. PURCHASED LOCAL. SHARED WITH OUR MEMBERS.

Through the Douglas County Farm Bureau **Protein Pantry Member Benefit**, we are proud to provide our members with locally raised beef and pork purchased directly from the Douglas County Fair.

These animals were raised and cared for by local 4-H families, supporting the next generation of agriculturists while helping bring wholesome, locally produced food back to our county Farm Bureau members.

FARM-FRESH ADVANTAGES

Local beef and pork can offer:

- Natural nutrients that support a healthy, balanced diet
- Healthy fats as part of a nutritious meal
- A connection to local agriculture and the families who raise our food

THIS BENEFIT IS FOR ALL DOUGLAS COUNTY FARM BUREAU MEMBERS!

Whether you're a member in need of a little extra help putting protein on the table or you're simply a member who wants to enjoy locally raised, farm-fresh beef or pork, this benefit is for YOU!

YOUR MEMBERSHIP CAN FEED YOUR FAMILY.

YOU MUST BE AN ACTIVE DOUGLAS COUNTY FARM BUREAU MEMBER. Membership will be verified prior to distribution. Please be prepared to show your current membership card, or your membership may be verified online by our County Coordinator.
