

## KNOW THE VALUE OF YOUR \$65 MEMBERSHIP FEE

### BREAKING IT DOWN

Membership with Farm Bureau means you are now a part of the state's largest agriculture advocacy organization. A 'voting' membership gives you a seat at the table when it comes to issues that affect your farm and brings them before elected officials and policy makers.

Your member benefits are accessible online at [www.kfb.org](http://www.kfb.org), [www.dgksfb.com](http://www.dgksfb.com), and at your fingertips by downloading the member benefits on the go app.
