

Gem State Financial Group is pleased to announce that we have access to over 45 companies to help with your SBA Life & Disability Insurance business needs. With having access to these companies, we have the ability to help your clients with their specific needs. We will be able to help your SBA clients find the right carrier to accept the business. If you have an impaired risk case, no problem, we will be able to work with our special risk team to find the best underwriting for your client.

**Below is sampling of our Life & Disability Insurance companies that allows us to help your clients with their specific needs:**
