2022 16th ANNUAL BRASS CITY BREW & QUE

The BCB&Q generates a very positive attendee experience—advancing the mission of Main Street in promoting Downtown Waterbury.

A 2019 Tourism Study showed that the BCB&Q generates in excess of \$100K of annual direct-spending in the Waterbury region.

In addition to attendees, the event attracts brewers, volunteers, vendors, and performers.

Attendees:

50% are from the 15-town Greater Waterbury Region

Come from more than 90 towns in Connecticut & 10 eastern states

90% are 25-45 years of age

Event proceeds benefit Main Street Waterbury, a nonprofit 501-c-3 organization providing planning and services for the current and sustained cultural and economic revitalization of Waterbury's Downtown District.
