Waterbury Fire Department

2024

18th ANNUAL

BRASS CITY BREW & 'QUE

Through a strong partnership with the City of Waterbury, along with a dedicated team of volunteers, staff and supporters like you, we are committed to seeing the downtown area thrive. As one Main Street Waterbury's major fundraisers, the Brass City Brew & 'Que has generated more than \$100k for annual direct spending in the Waterbury region over the past 17 years. Event proceeds benefit Main Street Waterbury, a nonprofit 501(c)(3) organization providing planning and services for the current and sustained economic revitalization of Waterbury's Downtown District.

WHY SHOULD YOU SPONSOR?

The BCB&Q attendees come from the 15-town greater Waterbury region; 90+ towns within Connecticut and from each state along the eastern border and Canada. The event attracts brewers, distillers, distributors, food vendors, amateur barbecue competitors, business vendors and live music performers – advancing the mission of Main Street in promoting the cultural, historical and vibrant downtown community.
