Dear Chief Judges:

Attached is a copy of the Joint Administrative Order for Multiple District Plan that was entered into by the District Courts of Macomb County in 1999. This plan established the authority for magistrates to conduct arraignments and other proceedings for all the participating courts, its application being primarily for the purpose of weekend arraignments.

It came to our attention that this plan does not include the newly created 38th District Court. This is not a problem when judges are conducting the arraignments, but magistrates do not have the authority to hear 38th District Court cases unless the court is part of the multi-district plan.

Consequently, assuming that you wish to include the 38th District Court in the weekend arraignment rotation, I would recommend that a new multi-district plan be adopted and filed as soon as possible. If you have any questions, please let me know.

Sincerely yours,

Deborah Green
Regional Administrator
