Care365

A Message from our Founders

2021 Was A Blessing! We were able to increase fourfold the number of grandparents served during the pandemic. We also partnered with Frost Bank to host virtual financial literacy workshops.

We would like to thank our donors for allowing us to assist grandparents in all 5 program areas. Your contribution made it possible for a student to attend college, grandparents avoided eviction, grandparents were able to pay utility bills. Special holiday memories for Thanksgiving and Christmas were created.

We could not have lived up to our mission without the collaboration of our donors and the community. Our donors have been a vital entity in helping Care365 support grandparents raising grandchildren. We are very grateful for the support as we continue to serve.

We Care,

Michael & Kenyatta Henderson

2021 At A Glance

We served approximately 132 families in all 5 programs; an 80% increase from 2020. We awarded a high school senior with a \$500 scholarship. We formed partnerships with Frost Bank to host financial literacy workshops for 32 grandparents, the Wilmer-Hutchins High School Athletic Department, and the 2022 Senior Class of Wilmer-Hutchins to provide Thanksgiving and Christmas assistance.

Dallas Central Tactical Security, LLC matched funds raised during North Texas Giving Day. They have supported Care365 since its inception by adopting grandparents for Thanksgiving and Christmas.

We would like to thank Catchafire One Texas for the Inkind donation of \$62,596 in volunteer service.

Catchafire donors provided the following services: Impact Report Graphic Design, Board Assessment, Fundraising Plan Assessment, Brochure Graphic Design, Budget & Accounting, Email Marketing & Copywriting, Translation, Logo Design, Brand Identity and Mission, Vision & Values. These services would have otherwise been incurred as part of the cost of operations.

Thanks for the donation of time and service. Care365 was able to Connect. Assist. Refer. Educate® over 100 grandparents.

Voices Full Of Grace

Kenyatta,

I just saw you on the early childhood meeting and googled your nonprofit. I LOVE that you created this organization and definitely want to donate. I just now sent \$50 and could probably plan to send \$25 on a monthly basis. I can keep sending through [the] Cash app if that is the best way – just let me know. Also let me know if there is any other way that I or Hope Clinic could be helpful in partnering with you. Thanks!

Hello, I received my care package this morning. Dr. Nina Price was so sweet. I had to move my car and she pulled up in the driveway just like family. I am still feeling the love. Tell everyone at Care 365 Happy Thanksgiving!
