A MESSAGE FROM OUR FOUNDERS

We have over 45 years of combined service to our community and have partnered with various educational and social service initiatives. We recognized a demographic that was often overlooked and taken for granted. We knew we could do something. We began with one family, and CARE365 was established.

In 2018 Michael and Kenyatta Henderson launched CARE 365, a 501 (c) (3) nonprofit. We are committed to supporting 'grandparents raising grandchildren' who face short-term hardships triggered by changes in the family dynamics. We want to help mitigate barriers that cause homelessness and lead to hopelessness.

Our desire to serve others is our passion. 1 John 3:18 tells us to "Let us not love with words or speech but with actions and in truth." We strive to fulfill what is written in scripture to bring God glory.

Michael & Kenyatta Henderson

CONNECTING GRANDPARENTS

We are committed to assisting grandparents raising grandchild (ren) who face hardships caused by a change in the family dynamics: the absence of a parent (s), chronic illness, incarceration, mental illness, etc.

We assist grandparents residing in Dallas and surrounding counties with emergency financial assistance for the mortgage, rent, and utilities. Grandparents needing our services must take advantage of financial counseling services as we C.A.R.E. to eliminate future financial occurrences and promote self-sufficiency.

Our additional services include educational scholarships, school uniforms, and holiday assistance.

SCHOLARSHIPS

In May of 2019, we awarded a \$500 scholarship to a high school graduate. Ten additional 2019 graduates from high school and college were also awarded \$500 in cash and gifts for their dedication, hard work, and achievements.

"I am sincerely honored to have been [awarded] the 2019 Care365 scholarship. Thank you for your generosity, which has allowed me to finance my academic education. The scholarship relieved a financial burden to borrow less in student loans and for my parents."

A YEAR IN PICTURES

In November and December of 2020. We served 14 families with the help of 6 community donors during the Thanksgiving holiday and provided Thanksgiving Dinners. For Christmas, we partnered with Wilmer-Hutchins High School, Athletic Department in Dallas, Texas, and 2 community donors to provide toys for children being raised by their grandparents.

YOUR DONATIONS AT WORK

We kicked off the 2019-2020 school year by adopting eight families and purchasing uniforms for each child.

I would like to give thanks to Care 365 during the pandemic. This organization was a real blessing for my granddaughter and me at Christmas time. Because of them, I was able to provide my granddaughter with food and gifts during the pandemic. Care365 provided me with a gift card that also helped us out. They are a real blessing thanks for all you do.
