

Dear Parents and Guardians,

As we approach the end of another school year, we would like to begin by thanking you for your continued support and partnership. Your engagement has made a meaningful difference, and we have truly appreciated the kind comments shared during parents' evenings, as well as the thoughtful cards and gifts received throughout the year. It has been a pleasure to watch our young people grow, develop, and celebrate their achievements, and we are proud of each and every one of them.

We would like to give a special mention to our Year 11 students and all those who have taken exams this year. We look forward to welcoming some of them back as they transition into the school next year. We have also seen several students return to other schools, and we are equally proud of their progress and accomplishments. Although we will miss them, it is always a blend of pride, happiness, and a touch of sadness as we watch students spread their wings and move on.

We will also be saying goodbye to Emma, our pastoral lead, who will be greatly missed. I would also like to extend a personal thank you to all our staff, who have worked incredibly hard with students across the Trust. A particular thank you goes to Tracy, whose dedication to the students in Approach is truly exceptional. Our team consistently invests many hours into planning lessons and activities that students enjoy, alongside completing additional training and courses to enhance their practice. I would also like to thank our students, who have been their wonderful, unique selves and have made this year such an enjoyable and varied experience. We are very fortunate to have them as part of the Trust family and to have had the privilege of watching them grow during their time with us.

We wish you all a fantastic summer break and look forward to hearing about your adventures and activities from those returning in September.

Warm regards,

Roz

Spotlight

Following a recent review with our safeguarding trustees, I was reminded just how much this area continues to grow in scope and importance. New legislation and emerging risks mean that safeguarding is constantly evolving, and we remain fully committed to keeping your children safe.

I would like to recognise the work of our Designated Safeguarding Lead, George Leighton, and the team around him. George ensures that all safeguarding requirements are up to date, from policies and procedures to staff training. Just as importantly, he works closely with families and students alongside our pastoral team, offering support when it is needed most.

Safeguarding sits alongside George's wider role as Assistant Headteacher and SENDCo, which makes this work particularly demanding. I am grateful that our senior leadership team works closely together so that this responsibility is shared and supported. George is also supported by Adrian Stones, Assistant Headteacher leading curriculum, learning and the sixth form, and I hope that, as a wider leadership team, we provide them with the backing they deserve.

We are very fortunate to have such a dedicated team working together to keep our students safe and well.

Edward

Pastoral

It has been lovely to welcome Chantelle to the pastoral team as our Inclusion Officer. At Connie Rothman School, we are committed to supporting the wellbeing and mental health of all our students. All staff play an active role in promoting a positive and nurturing environment, working collaboratively to help each student thrive emotionally, socially, and academically. For those who require more focused support, we offer weekly therapeutic sessions tailored to individual needs. Alternatively, students can access regular check-in sessions to ensure they feel heard, supported, and valued. These sessions will be reviewed every 6-8 weeks.

For any Pastoral concerns please contact:

Pastoral Assistant: Rudi Coulter - rcoulter@crlt.org.uk

Inclusion Officer: Chantelle Lamb - clamb@crlt.org.uk

This Year at Approach

It has been a great year at Approach and I think that the main thing that I will remember is how hard all of the students have worked! We have had an amazing group of students and it has been a joy to work with them. Many will now be anxiously awaiting exam results and looking forward to their next steps. We wish you all the very best in whatever you do next and look forward to continuing to work with those who will be continuing with us in September.

Highlights of the year have been the creativity shown in writing, both fiction and non-fiction. We definitely have some budding authors amongst us! In maths we have looked at lots of different topics, learning new concepts, practicing old ones and learning to make links between them!

I hope that everyone has a lovely summer break and look forward to seeing some of you in September.

Tracy

Dystopian Description

The boy paused and took a deep breath, the smell of smoke filled his nostrils and pieces of ash fluttered down on him. He looked around carefully and began to climb through the broken window towards the abandoned bus, he hoped they wouldn't come. His nightmares were confirmed when the sound of gunshots rang out and the sound of violence jolted him back into the bunker, as soldiers ravaged through the rubble.

Italian

This year students at Approach Learning have engaged well with their Italian studies once a week and have participated with enthusiasm and effort with many students showing a natural flair for the language.

Rudi

Exam Results Days Summer 2026

The results for GCSEs will be released on **Thursday 20th August 2026**. All students will need to come to our main school building at: Christchurch Community Church, Millhams Street, Christchurch BH23 1DN. We will be open for students to collect their results from **9:30am to 12:30pm**.

Results should be collected from the double doors opposite the Saxon Square car park.

Results cannot be released to anyone other than the student themselves. If they cannot collect the results in person, please ask them to write a letter of authority to whoever will be collecting for them. That person will need to show ID before the results can be released.

If no one is able to collect your child's results in person then they will be posted to your home address by First Class post on Results Day, hopefully arriving the following day.

Please note that school will not be open at any other times as we will be closed for the summer holidays. Unfortunately, we cannot email results to candidates.

If you have not already informed us whether your child will be collecting their results in person or would prefer them to be posted, please let us know as soon as possible.

You can email the school at hello@crlt.org.uk or contact the Exams Officer, Kathryn Mellis, directly at kathryn@crlt.org.uk.

Kathryn Mellis, Exams Officer

Summer Holiday Support

If you need any support over the summer holidays, please see the list below.

Family Support

Early Help & Targeted Intervention Service

If you would like advice or additional support for your family over the summer, the Early Help Access Point can help.

 01202 126668

 EHAcessPoint@bcpcouncil.gov.uk

Family Hubs and Family Information Directory

Family Hubs offer a range of activities, services and support for children, young people and families. Summer timetables will be published shortly, so please check the [Family Information Directory](#) and [Family Hub](#) websites regularly for updates.

Food Support

Access to Food Partnership

Information about food banks, community fridges, pantries and social supermarkets can be found through the [BCP Access to Food Partnership](#).

Free Summer Breakfasts at Morrisons

Morrisons and Kellogg's are offering free breakfasts throughout the summer holidays.

From 29 June to 6 September 2026, families can enjoy a free Kellogg's breakfast at participating Morrisons cafés. The offer includes:

- A portion pack of Cornflakes or Rice Krispies
- Milk or a milk alternative
- A portion of fruit

Simply ask for a "Kellogg's Breakfast" at the till.

Kids Eat Free

Many local and national restaurants offer free or discounted meals for children during the school holidays. Information can be found on:

- Family Save UK – [Kids Eat Free](#)
- CAP UK – [Kids Eat Free Holiday Guide](#)
- [BCP Mumbler's local guide to family dining offers](#)
