

## 2025 August Fundraising Dinner Hosted By Sauda & Stephan

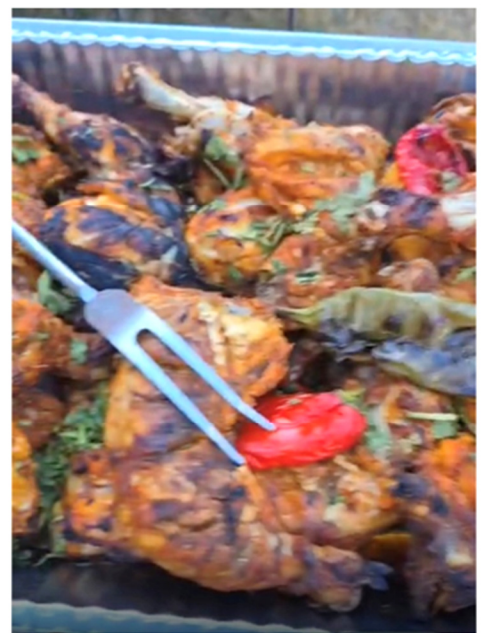

ANOTHER SUCCESSFUL **PAGE BY PAGE – MOMBASA** fundraising dinner! We give our sincere shout-out and heartfelt **THANK YOU** to all who participated in this lovely event! Special thanks, of course, to all the fantastic cooks and helpers who made the event an outstanding success! There was plenty of delicious food and plenty to take away!

From the leisurely stroll along the multi-colored khangas (lesos) to the lively conversation and spirited music; from the delightful food to the enchanting coffee ceremony; from the meeting of old friends to the making of new; this was truly a multi-cultural, multi-national, multi-generational event! All in the gracious spirit of giving to those who most of us will never meet – giving to those who are half a world away! As Yoko Ono once wrote: **“A Dream you Dream Alone is only a Dream. A Dream you Dream Together is Reality.”**

**THANK YOU** for making the dream of PAGE BY PAGE – MOMBASA, and the dreams of countless school children in Mombasa, a reality. ***Asanteni sana!***
