Leader: Creative, passionate God, you delight to shape the world in beauty and harmony. You invite us to participate in the balance of creation. We grow in wisdom as our experience unfolds; we take good learning out of difficult situations yet also find our well-meant endeavors leading to unintended consequences. Too often we give in to temptation that disrupts the joyous, chaotic order of the universe. We cannot undo all our mistakes, but we can turn once more to the living presence of Jesus and find new ways to live and love each other and the earth.

Do not let our hearts be fearful, but let us in silence acknowledge our sin and seek the forgiveness that restores your peace.

Even as Adam and Eve faced the consequences of their sin, our God prepared a way for them still to be connected to the earth and to the living presence of God. So it is with all of us: in Christ's life, ministry, death and resurrection, we are made able to persist, upright and strong, for our sins are forgiven.

Thanks be to God
