# CLINICS

## NEAR YOU

### 10:00a–12:00p: Assessments

Each golfer at the clinic will hit in front of the group for about 10 minutes. These “micro lessons” will allow me to assess your current Juju Swing as well as give the group insight into swing issues that they themselves might be struggling with.

### 12:00p–12:45p: Break

After the 2 hours of assessments we will take a 45 minute break for lunch and camaraderie.

### 12:45p–2:45p: Range Work

For these 2 hours you will be in small groups based on the assessments from the earlier session. Everyone will be hitting balls as Brad walks the line and helps each person dial in their Juju Swing.

### 3:00p–5:30: 9-Hole Team Match Play (Scramble)

Brad will pair you with others from the clinic for a fun 9-hole Scramble Match Play finale. The winning team will earn a special prize for their efforts!
